The Bhagavad Gita: Spiritual Wisdom For Leadership And Success S. K. Srivastava, M. K. Singh, The genre of Swami Vivekananda s teachings on leadership and success is spiritual and inspirational He combines philosophy personal growth and ethical guidance to show how inner strength selflessness and moral values lead to effective leadership and lasting success Spiritual Focuses on inner strength self discipline and self knowledge Inspirational Motivates courage vision and selfless action Philosophical Explains life purpose and ethical living Leadership oriented Connects spirituality with effective and ethical leadership Personal Development Guides growth of character mind and values for success **One Nation, Two Realities** Morgan Marietta,David C. Barker,2019-03-18 The deep divides that define politics in the United States are not restricted to policy or even cultural differences anymore Americans no longer agree on basic questions of fact Is climate change real Does racism still determine who gets ahead Is sexual orientation innate Do immigration and free trade help or hurt the economy Does gun control reduce violence Are false convictions common Employing several years of original survey data and experiments Marietta and Barker reach a number of enlightening and provocative conclusions dueling fact perceptions are not so much a product of hyper partisanship or media propaganda as they are of simple value differences and deepening distrust of authorities These duels foster social contempt even in the workplace and they warp the electorate The educated on both the right and the left carry the biggest guns and are the quickest to draw And finally fact checking and other proposed remedies don t seem to holster too many weapons they can even add bullets to the chamber Marietta and Barker s pessimistic conclusions will challenge idealistic reformers

Nietzsche's Metaphysics of the Will to Power Tsarina Doyle, 2018-02-15 Nietzsche s controversial will to power thesis is convincingly rehabilitated in this compelling book Tsarina Doyle presents a fresh interpretation of his account of nature and value which sees him defy the dominant conception of nature in the Enlightenment and overturn Hume s distinction between facts and values Doyle argues that Nietzsche challenges Hume indirectly through critical engagement with Kant s idealism and that in so doing and despite some wrong turns he establishes the possibility of objective value in response to nihilism and the causal efficacy of consciousness as a necessary condition of human autonomy Her book will be important for scholars of Nietzsche s metaphysics and of the history of philosophy and science more generally

Eros and Ethos Jason Stotts, 2018-02-09 Sexual ethics has historically been a bleak landscape of three false alternatives resist abstain or indiscriminately indulge In Eros and Ethos philosopher Jason Stotts presents a radical new alternative in which sex is an ethically important part of a rich human life He shows how sex is a significant expression of our character because sex arises out of the deepest and most fundamental parts of who we are On his account virtue lies in proudly bringing desire in line

with our flourishing so that we can create rich and meaningful lives

For Goodness Sex Al Vernacchio, 2014-09-16 A progressive effective and responsible approach to sex education for parents and teens that challenges traditional teaching models and instead embraces 21st century realities by promoting healthy sexuality values and body image in young people Sex education today generally falls into one of two categories abstinence only or abstinence based education both of which tend to withhold important factual information and leave young adults ill equipped to make safe decisions Al Vernacchio a high school sexuality educator who holds a Master's degree in Human Sexuality from the University of Pennsylvania has created a new category sex positive education In For Goodness Sex he refutes the disaster prevention model of sex ed offering a progressive and realistic approach Sexuality is a natural part of life and healthy sexuality can only develop from a sex positive affirming appreciation Curious yet fearful of being judged young people turn to peers the Internet and the media where they receive problematic messages about sex boys are studs girls are sluts real sex should be like porn hookups are better than relationships Without a broader understanding to offset these damaging perceptions teenagers are dangerously unprepared intellectually and emotionally to grow and develop as sexual beings For Goodness Sex offers the tools and insights adults need to talk young people and help them develop healthy values and safe habits With real life examples from the classroom exercises and quizzes and a wealth of sample discussions and crucial information Vernacchio offers a guide to sex education for the twenty first century
