**Elements of Ecclesiastical Law: Ecclesiastical punishments. 1st ed** Samuel B. Smith,1888     *A New Ecclesiastical History of the Seventeenth Century* Louis Ellies Du Pin,1725     Reconciliation and Justification Kenan Osborne,2001-11-28  
Reconciliation and Justification offers a thorough historical and theological background on reconciliation and justification It is an excellent textbook for theology a good stimulus for discussion and a significant contribution to all theological libraries Since Vatican II the sacrament of reconciliation has met with both successes and difficulties Author Kenan B Osborne O F M contends that one of the main reasons for difficulty with the renewal of this sacrament is that it lacks the integration of justification theology He outlines key issues on justification within the biblical theology of St Paul and traces the historical theological and liturgical developments from the first century to the present Thus Fr Osborne enriches our conception of reconciliation through these reflective christological and ecclesiological dimensions     *National Union Catalog* ,1956  
Includes entries for maps and atlases     **Confession** Patrick W. Carey,2018-09-05 Confession is a history of penance as a virtue and a sacrament in the United States from about 1634 when Catholicism arrived in Maryland to 2015 fifty years after the major theological and disciplinary changes initiated by the Second Vatican Council 1962 1965 In the years since the Council penitential language has been overshadowed increasingly by the language of conflict and controversy In today s social and political climate Confession may help Americans understand how much their society has departed from the penitential language of the earlier American tradition and consider the advantages and disadvantages of such a departure
