Pentecostals In Crisis:

Pentecostals in Crisis Ron Auch,1988 Leader's Guide for Pentecostals in Crisis Ron Auch,1989-07-01 The Church in Crisis Ron Auch,1990-06-01 The Church of Jesus Christ in America is in great need of a revival Currently revival is sweeping many parts of the world with the exception of America Japan and Western Europe the three materialistic societies In this book the author looks at the role prayer has played and will play in reviving the Church Without a powerful move of God our nation has no hope **Pentecostal Spirituality** Steven Jack Land,1993-01-01 In this classic book leading Pentecostal scholar Steven J Land offers a constructive and controversial interpretation a re vision of the Pentecostal tradition As Pentecostalism approaches its centennial Land argues that the early years of the movement form the heart not the infancy of its spirituality and he emphasizes the crucial importance of its Wesleyan Holiness and nineteenth century revivalist restorationist roots Land s foundational study includes an account of the relationship of spirituality and theology a description and analysis of Pentecostal beliefs and practices a demonstration of how these beliefs and practices are integrated into Pentecostal affections a trinitarian definition of Pentecostal Spirituality arguing that a passion for the kingdom of God is ultimately a passion for God Himself *Speaking in Tongues: A Critical Historical Examination* Philip E. Blosser,Charles A. Sullivan,2022-09-16 In three carefully researched volumes this ground breaking study examines the gift of tongues through 2 000 years of church history Starting in the present and working back in time these volumes consider 1 the modern redefinition of tongues as a private prayer language 2 the church s perennial understanding of tongues as ordinary human languages and 3 the Corinthian tongues which in light of Jewish liturgical tradition turn out to have been a foreign liturgical language Hebrew or Aramaic requiring bilingual interpreters In the first volume the authors establish that modern glossolalia far from being a supernatural gift enjoyed by certain believers since the time of Pentecost and undergoing a resurgence in modern times has no precedent in church life prior to the nineteenth century They discuss why German theologians responding to the Irvingite revival coined the term glossolalia in the 1830s why Pentecostals between 1906 8 quietly began redefining tongues to mean a heavenly language unintelligible to human beings but pleasing to God instead of foreign languages useful for evangelism why Protestant cessationists believed miraculous tongues had ceased and why interpolated idioms like unknown tongues in Protestant Bibles were aimed originally at Rome s use of Latin *Pentecostal Ecclesiology* Chris Green,2016-06-27 This reader in Pentecostal ecclesiology edited by Chris Green brings together in a single volume a number of critically important previously published essays written by leading Pentecostal and charismatic scholars addressing the theology of the church sacraments and ministry in the Pentecostal charismatic traditions Contributors include Estrela Alexander Peter Althouse Jonathan E Alvarado Ken Archer Daniela Augustine Simon Chan Graciela Esparza Jenny Everts Chris E W Green Walter Hollenweger Cheryl Bridges Johns Veli Matti K rkk inen Andy Lord Frank Macchia Clark Pinnock Margaret M Poloma Lisa Stephenson Wolfgang Vondey and Amos Yong *Pentecostal*

Experience Peter D. Neumann, 2012-08-22 Pentecostals are known for an experiential spirituality that emphasizes immediate encounters with God through the Holy Spirit. But how should such experience be understood? Is it in fact quite so immediate? Neumann argues that Pentecostal experience of God is mediated by the Spirit's work through Scripture, the Christian tradition, and the broader cultural context. Using the work of three contemporary Pentecostal theologians—Frank D. Macchia, Simon K. H. Chan, and Amos Yong—the book demonstrates that a mediated view of experience of God is forging a more mature Pentecostal theology. As further evidence of this maturation, Neumann engages these Pentecostal theologians in ecumenical dialogue with leading representatives from Roman Catholic, Eastern Orthodox, and Protestant traditions.

Pentecostal Spirituality in Black Female Experience Marcia Clarke, 2026-01-29 This book focuses on the Pentecostal experience of African Caribbean women in Britain, paying attention to the influence of Pentecostalism as it is expressed in everyday life. Foregrounding the voices of Black British Pentecostal women, it presents the church not as a haven but as a context of empowerment. Pentecostal spirituality provided Caribbean women of the Windrush generation the spiritual and theological means to re-vision the British realities of racism, sexism, and ecclesial patriarchy. Their Pentecostal expression motivated the women to organise churches as spaces of quiet social activism, displayed in the lives of successive generations as they navigate contemporary Britain. Utilising qualitative research located within the discipline of practical theology, the author considers the following questions: What is the nature of the experiential dimension of Pentecostalism in the lives of African Caribbean women? What are the features of African Caribbean spirituality? And how might the lived experience of African Caribbean women contribute to an understanding of Pentecostal spirituality? The book will be of interest to scholars of religion, theology, history, and gender studies.

Malaysian Pentecostalism from Classical to Contemporary Eva Wong Suk Kyun, 2026-01-31 The outpouring of the Spirit as prophesied in Joel 2 and fulfilled in Acts 2 has been a phenomenon to behold throughout the history of the church, particularly within Pentecostalism. Yet the increasing gap between the espoused theology and the current practice of Assemblies of God Malaysia (AGM) displays the need for a contemporary Pentecostal spirituality for the twenty-first century. Employing Joel 2:28–32 as an interpretive lens, Dr. Eva Wong Suk Kyun conducts a systematic and qualitative investigation of AGM's progression from a classical Pentecostal movement to a contemporary Pentecostal church movement. The seven key theological themes of the Pentecostal movement's central beliefs and practices, which are derived from Joel and Acts, are presented as the backdrop for the development of the movement's pneumatology, wherein the voice of the Spirit is an essential element of AGM's theological, missiological, ecclesiological, and ministerial aspects. Presenting a way forward for the next generation, Wong emphasizes the need for intentional spiritual discipleship by preserving the Pentecostal distinctives of baptism in the Holy Spirit, glossolalia, and missions. This innovative study offers its readers solid theological foundations and practical insights for a holistic Pentecostal spirituality.

Catholic/Pentecostal Dialogue (1977-1982) Jerry L. Sandidge, 1987 Vatican II opened the doors of the Roman Catholic Church for official theological dialogue with separated brethren The rise of the neo Pentecostal movement and charismatic renewal caused the doors of the historical Pentecostals to open toward Christians in the mainline churches This book discusses the historical precedents of the Vatican Pentecostal Dialogue and reviews the ten years Dialogue 1972-1982 with special attention given to the second five years The implications of this Dialogue for ecumenism is also discussed Volume Two contains all the documents from the second quinquennium including the 16 theological papers and final report **"Ask and You Shall be Given"** Robert Mbe Akoko, 2024-11-27 Since the 1980s Cameroon has been facing an economic crisis that has resulted in widespread unemployment and poverty In response civil society organisations including churches have called for the introduction of democratic institutions believing that bad governance is at the root of the country's economic problems At the same time a growing number of Pentecostal churches especially in Anglophone Cameroon have begun offering a message of salvation to the suffering masses This study examines how the new gospel of accumulation and prosperity preached by these churches relates to the material predicaments of Cameroonians It investigates the proliferation of Pentecostalism and the ongoing defection of members of the mainline churches to the new Pentecostal groups that are propagating the gospel of prosperity as opposed to the ascetic doctrine of mainline groups In contrast to mainline churches which have been vocal in their fight against the crisis by issuing pastoral letters organising conferences and criticising the government Pentecostal churches have been relatively silent This study compares the reactions of the two churches and suggests that the Pentecostal churches have used the crisis as an opportunity to grow their membership *Pentecostals After a Century* Allan H. Anderson, Walter J. Hollenweger, 1999-11 This book emerges from a consultation in June 1996 with Walter J Hollenweger acknowledged doyen of Pentecostal studies held at Selly Oak Colleges Birmingham Different perspectives are offered from scholars from five continents emphasizing the increasingly non Western nature of this rapidly growing Christian movement and the significance of its roots Central challenges facing Pentecostalism after a century of existence include the central doctrine of Spirit baptism and its relationship to the supernatural the political relevance of the movement in different parts of the world the indigenization and contextualization of the movement and case studies from four continents **Beyond Pentecostalism** Wolfgang Vondey, 2010-09-23 At the beginning of the twenty first century Christianity faces one of its greatest opportunities as well as one of its greatest challenges the formulation of a global theology In *Beyond Pentecostalism* Wolfgang Vondey argues that Pentecostal thought and praxis represent an indispensable catalyst for the realization of this task Accentuating Pentecostalism as a manifestation of what he calls the crisis of global Christianity Vondey describes the elements of this crisis manifested chiefly in theology's turn toward a performance oriented enterprise and suggests that the task of overcoming the crisis demands an integration of Pentecostalism in the global theological agenda This task will inevitably push Christianity beyond the boundaries of the classical Pentecostal tradition In fact Vondey suggests

Pentecostalism itself is in the process of going beyond its own historical theological socio cultural and institutional boundaries His ultimate goal is not a pentecostalization of Christianity but rather a renewal of the theological landscape in light of the significance of Pentecostal voices thoughts and practices worldwide **Blood Cries Out** A.
