Love Tales Micole Williams,2009-08-11 Tangled Web of True Love Tales is a quirky satirical romantic comedy that views lust from different angles yet parallel paths This is a modern day tale as old as time about seven deadly women and the men they love to hate The saga begins and the drama continues as seven eclectic sisters embark on new chapters in their lives before really closing the previous pages As the fatally flawed Houston born women go on their individual quests for love identity and truthful purpose they find themselves wrapped up in a sinfully tricky game of possessive power pure illusions and venomous lies along the way In a world where a woman s voice is too many times hushed or muzzled these women scream through the pages flaws and all because their stories ideas and perspectives matter Be ready to be led on an amusing journey of twists and turns in this ultimately tantalizing tale **Love's Tangled Web, by Joy St. Clair (4 Cassettes)**. Joy St. clair,Angela* Down, **Love's Fiery Trial** Lexy Timms,2026-02-23 To expose the truth he becomes the enemy To finish it she risks everything When an explosion tears them apart Cole Maddox makes the only choice he has left disappear into the heart of the conspiracy that ruined his life Embedded beside Major Keaton wearing the badge of the very network he s sworn to destroy Cole walks a razor s edge one wrong move from execution one act of mercy from exposure His final message to Harper is a warning she never wanted to hear Trust no one Especially me Believing Cole has abandoned her or worse betrayed her Harper Vale refuses to stop Armed with encrypted ledgers journalistic instinct and a growing circle of allies she prepares to do what no one before her has dared drag Project VIGILANT into the light and let the world watch it burn Every upload every leak paints a larger target on her back and draws the attention of forces that operate far beyond the military As a donor summit approaches and power consolidates at the highest levels of government the final pieces fall into place The truth about Ethan s murder The real architect behind VIGILANT And the cost of choosing love in a world built on secrecy and blood With time running out and death stalking every step Harper and Cole fight on opposite sides of the same war until the moment arrives when trust must be absolute sacrifice unavoidable and the truth unleashed before it can be buried forever Because some wars aren t won in the dark They re won in front of the world The explosive conclusion to a dark romantic suspense trilogy about truth loyalty and choosing the light even when it costs everything Love s Labyrinth Series Book 1 Love s Last Stand Book 2 Love s Tangled Web Book 3 Love s Fiery Trial Ridiculous! David Kaufman,2005-02 Applause Books From his first unscripted appearance on an Off Broadway stage in the revolutionary 1960s to the frontpage news of his death from AIDS in 1987 at age 44 Charles Ludlam embodied and helped to engender the upheavals of his time The astonishing life and legacy of this force to be reckoned with are at last revealed in RIDICULOUS a literary biography of an American comic genius After founding the Ridiculous Theatrical Company in 1967 Ludlam sustained an ever shifting troupe of bohemian

players through two decades of perennially daunting circumstances by writing 29 plays plays that he starred in and directed as well While Ludlam s work has become increasingly popular at regional theatres on college campuses and on stages throughout the world his gender bending theories and wide ranging cultural impact have reached far beyond Bette Midler the original cast members of Saturday Night Live and the countless other artists he influenced during his abbreviated lifetime Like his early plays Ludlam s life was rife with the sex drugs and creative experimentation that characterized the freewheeling 60s and 70s Based on a decade of research and interviews with more than 150 people who knew or worked with Ludlam including all of the major players in his troupe and seven of his lovers RIDICULOUS recreates the dramatic life of an inimitable and subversive theatrical master with you are there intensity Winner of the LAMBDA Literary Award for Biography and the Theatre Library Association Award for Outstanding Theatre Book of the Year David Kaufman makes a persuasive case for Ludlam s being a genius As a record of Ludlam s life and the theatrical world in which he was both guru and grandmaster this book is informed and passionate Mel Gussow The New York Times A fascinating portrait of an authentic stage genius and the New York avant garde scene in which he toiled with such demented and dedicated diligence Playbill The phenom who inspired everyone from Bette Midler and Madeline Kahn to Tony Kushner and Paul Rudnick was no box of chocolates which as reading experiences go makes his story all the sweeter Vanity Fair This is one helluva piece of work Marilyn Stasio Variety com
