# Personality And Hypnosis

**Werner Wolff**

## Personality And Hypnosis:

*Personality and Hypnosis* Josephine Rohrs Hilgard, 1979      **Multiple Personality, Allied Disorders, and Hypnosis** Eugene L. Bliss, 1986 Since the time of Mesmer in the late eighteenth century spectacular feats of hypnosis have been documented by respected scientific researchers yet hypnosis has remained divorced from the main body of science In this groundbreaking work Dr Eugene Bliss shows that the hypnotic capability of the mind is important to the theory and practice of psychiatry and suggests that it deserves much more attention and research In *Multiple Personality Allied Disorders and Hypnosis* Bliss explores both the nature of multiple personality and hypnosis and discusses how an understanding of the latter can provide insight into the nature of certain psychiatric disorders For instance he views multiple personality as a form of self hypnosis an instance of learned schizophrenia rather than an organic disorder as is generally thought He outlines the trace elements involved in multiple personality and other psychiatric disorders provides a fascinating history of the origins and current ideas about hypnosis and gives a detailed account of the use of hypnosis in the treatment of multiple personality Based on thirty years of clinical experience and filled with insightful personal observations *Multiple Personality Allied Disorders and Hypnosis* is an informative fascinating book for psychiatrists psychologists and anyone intrigued by hypnosis and its possible beneficial use
