Conscious Breathing Joy Manne, Ph.D.,2004-08-13 Conscious Breathing presents contemporary Breathwork methods in a comprehensive structured way for modern readers Emphasizing the practice as a way to access the most elevated states of consciousness and the deepest states of meditation author Joy Manne shows how Breathwork can be applied to transpersonal existential past life chakra Kundalini shamanic and other experiences Using detailed examples case histories and exercises Conscious Breathing covers basic grounding and awareness advanced breath and body centered explorations and explorations of biblical and religious teachings

Soul Therapy Joy Manne,1997 Joy Manne brings her experience as a psychotherapist her years of Vipassanna meditation and her knowledge of Buddhism to a blend of East and West called Soul Therapy Her book is based on the premise that true and lasting healing comes from the Soul Quest or spiritual development

Dark Pool of Light, Volume Two Richard Grossinger,2012-08-28 In books like Embryogenesis and Embryos Galaxies and Sentient Beings author Richard Grossinger brought together the subjects of biological embryology and the esoteric process of human consciousness becoming embodied The embryo is the universe writing itself on its own body In Dark Pool of Light his three volume series of books discussing the nature of reality and consciousness Grossinger weaves neuroscience based behaviorism and the phenomenology of being and reality together with psychological and psychospiritual views of that single thing which is most difficult to understand or vindicate our own existence In Volume 1 Grossinger begins with the scientific and philosophical analytical views of reality the subtitle of that volume is The Neuroscience Evolution and Ontology of Consciousness In Volume 2 Consciousness in Psychospiritual and Psychic Ranges he examines psychic sensitivity and planes of existence from diverse experiential perspectives including theosophy and Buddhism In 2008 Grossinger began studying with noted psychic teacher John Friedlander who helped him refine his vision of cerebral and somatic awareness to still subtler levels Dark Pool of Light began unnamed in the journals of my psychic work with John Friedlander says Grossinger not so much a record of actual practices as insights from them and extensions out of them An expansive inquiry into the nature of consciousness this volume includes these field notes and observations from Grossinger's studies in the imaginal psychic realm as well as exercises to invite the reader to experience these dimensions for themselves

Medical and Health Care Books and Serials in Print ,1997 Homeopathy as Energy Medicine Richard Grossinger,2024-06-25 Comprehensively examines what homeopathy is and places the practice within the larger framework of energy medicine and microdose effects Lays out the principles and origins of homeopathy explaining its discovery and development by Samuel Hahnemann Explores the rise and fall and current rise in popularity of homeopathy over the years and its resonance during the COVID 19 pandemic Helping first time patients as well as longtime devotees gain a deeper understanding of just what homeopathy is Richard Grossinger presents a comprehensive overview of the healing art explaining its essential philosophy and methodology and showing how it relates to the broader concepts of energy medicine and nanodose treatments He introduces

homeopathy's basic framework and explores its three central principles the Law of Similars microdose transmission of energetic information and potentization Addressing the many critiques of homeopathy he looks at the power of the placebo effect and offers a comparison of homeopathy to other alternative and mainstream healing modalities Placing homeopathy in a historical context he explores doctor Samuel Hahnemann's discovery of homeopathy in the late 18th century and looks at medical and pharmaceutical systems that preceded homeopathy such as alchemy Paracelsan herbalism and Greek and Roman medicine He examines homeopathy's rise and fall in popularity over the years including its renaissance in early 19th century North America and its revival in the counterculture of the 1970s He looks at modern evolutions of homeopathy including Dr Rajan Sankaran's sensations theory homeopathy's resonance during the COVID 19 pandemic the concept of the pill less pharmacy the microdose basis of astrological charts and psychic homeopathy Presenting a contemporary understanding of homeopathy as energy medicine this book offers everything needed to begin self healing with the power of the nanodose

Dark Pool of Light, Volume Three Richard Grossinger, 2012-12-18 In books like Embryogenesis and Embryos Galaxies and Sentient Beings author Richard Grossinger brought together the subjects of biological embryology and the esoteric process of human consciousness becoming embodied The embryo is the universe writing itself on its own body In Dark Pool of Light his three volume series of books discussing the nature of reality and consciousness Grossinger weaves neuroscience based behaviorism and the phenomenology of being and reality together with psychological and psychospiritual views of that single thing which is most difficult to understand or vindicate our own existence In 2008 Grossinger began studying with noted psychic teacher John Friedlander who helped him refine his vision of cerebral and somatic awareness to still subtler levels Dark Pool of Light began unnamed in the journals of my psychic work with John Friedlander says Grossinger not so much a record of actual practices as insights from them and extensions out of them This expansive inquiry into the nature of consciousness ends with this third volume in the series The Crisis and Future of Consciousness Grossinger addresses the perennial question of evil and shares the author's hopes and fears for the future of humanity While wisdom gleaned from such seemingly disparate sources as science philosophy religion and spirituality might appear very very different things Grossinger nevertheless finds their meeting place in subjective lived experience

Encyclopedia of Death and Dying Glennys Howarth, Oliver Leaman, 2003-12-16 In recent years there has been a massive upsurge in academic professional and lay interest in mortality This is reflected in academic and professional literature in the popular media and in the proliferation of professional roles and training courses associated with aspects of death and dying Until now the majority of reference material on death and dying has been designed for particular disciplinary audiences and has addressed only specific academic or professional concerns There has been an urgent need for an authoritative but accessible reference work reflecting the multidisciplinary nature of the field This Encyclopedia answers that need The Encyclopedia of Death and Dying consolidates and contextualizes the disparate research that has been carried out to date The phenomena of death and dying

and its related concepts are explored and explained in depth from the approaches of varied disciplines and related professions in the arts social sciences humanities medicine and the sciences In addition to scholars and students in the field from anthropologists and sociologists to art and social historians the Encyclopedia will be of interest to other professionals and practitioners whose work brings them into contact with dying dead and bereaved people It will be welcomed as the definitive death and dying reference source and an essential tool for teaching research and independent study

Relearning to See Thomas R. Quackenbush,2000-01-24 In this accessible presentation of the famous Bates method Thomas R Quackenbush who teaches the Bates method in California and Oregon describes how eyesight can improve naturally at any age and regardless of heredity This book is a wonderful tribute to the genius of Dr Bates who was a pioneer in discovering how vision becomes blurred and how it restores itself naturally to clarity and acuity Now 80 years later his findings and teachings remain light years ahead of our contemporaries His approach to treating vision problems was truly holistic and the theme throughout this book is very much an extension of that holistic approach Dr Quackenbush is to be commended for his dedication in getting the truth out and keeping the torch burning in this bible on vision improvement

Better Eyesight William H. Bates,2000-12-14 Artists teachers army officers housewives elderly people parents and children with vision problems write about their experiences with the Bates Method and giving up their glasses in *Better Eyesight* Major eye conditions myopia astigmatism farsightedness presbyopia amblyopia strabismus cataract glaucoma blindness are discussed by Bates other ophthalmologists the medical community and readers The significance of this literature is both historical and immediate For the first time the connection between eyestrain to shoulder and neck pain headaches and other muscular tension is discussed

Manifesto For A New Medicine James Samuel Gordon,1996-05-05 For the last twenty five years Dr James Gordon has pioneered an approach to healing that synthesizes the best of modern scientific medicine with the best of the alternative techniques Here he leads
