

Plato Symposium

Leo Strauss

Plato Symposium:

Plato's 'Symposium' Thomas L. Cooksey, 2010-05-20 Symposium Plato, 2020-05-22 Plato 428 347 B C is one of the founding fathers of Philosophy His work Symposium is a philosophical dialog between notable men of Greek history It is considered both a philosophical and literary classic **Plato's Symposium** Richard Hunter, 2004-07-15 Oxford Approaches to Classical Literature Series Editors Kathleen Coleman and Richard Rutherford introduces individual works of Greek and Latin literature to readers who are approaching them for the first time Each volume sets the work in its literary and historical context and aims to offer a balanced and engaging assessment of its content artistry and purpose A brief survey of the influence of the work upon subsequent generations is included to demonstrate its enduring relevance and power All quotations from the original are translated into English Plato's Symposium tells of a dinner party at a crucial point in Athenian history at which the guests decide that they will each in turn deliver a speech in praise of love The humorous and brilliant work that follows points the way towards all Western thinking about love The Symposium is also one of Plato's most sophisticated meditations on the practice of philosophy This book introduces the literary and historical context of Plato's work surveys and explains the arguments and considers why Plato has cast this work in a highly unusual narrative form A final chapter traces the influence of the Symposium from antiquity to the modern day The Symposium Plato, 2003-04-29 A fascinating discussion on sex gender and human instincts as relevant today as ever In the course of a lively drinking party a group of Athenian intellectuals exchange views on eros or desire From their conversation emerges a series of subtle reflections on gender roles sex in society and the sublimation of basic human instincts The discussion culminates in a radical challenge to conventional views by Plato's mentor Socrates who advocates transcendence through spiritual love The Symposium is a deft interweaving of different viewpoints and ideas about the nature of love as a response to beauty a cosmic force a motive for social action and as a means of ethical education For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators Symposium, 1896 *Plato's Symposium* Stanley Rosen, 1968

Symposium Plato, Hayden Pelliccia, 1996 Translated by Jordan Stump introduction by Caleb Carr and original illustrations by Jules Ferat **Leo Strauss On Plato's Symposium** Leo Strauss, 2001-08 The first major piece of unpublished work by Leo Strauss to appear in more than thirty years Leo Strauss On Plato's Symposium offers the public the unprecedented experience of encountering this renowned scholar as his students did Given as a course in autumn 1959 under the title Plato's Political Philosophy at the University of Chicago these transcripts previously had circulated in samizdat fashion passed down from one generation of students to the next They show Strauss at his best in his subtle and sometimes

indirect style of analysis which has attracted almost as much commentary as has the content of his thought Strauss presents a coherent and complete interpretation of the Symposium proceeding by a meticulous reading from beginning to end Operating on the once common hypothesis that commentary is an excellent method of expounding the truth Strauss sheds light not only on the meaning of the dialogue and its place in the Platonic corpus but also on a host of important topics including the nature of eros and its place in the overall economy of human life the perennial quarrel between poetry and philosophy and the relation of both to piety politics and morality the character of Socrates and the questions of his trial and many other matters As provocative as they were a half century ago these important lectures will be welcomed by students of classics philosophy politics psychology and political philosophy *Symposium by Plato* Plato, 2012-02-27 Collectors Edition

It is rather difficult to review Plato's Symposium from a modern viewpoint The attempts by Agathon's guests including Socrates to define love are largely based on the love of boys rather than women While that is a difficult concept for me to ponder I recognize that such a social custom prevailed to some degree in ancient Athens and will attempt to offer an unbiased view of the text Basically partygoers celebrating Agathon's first victory in a drama contest decide to do something besides drink themselves into a stupor because they are still paying for such activity the night before Socrates joins the group on this second night and it is decided that each man in turn will offer his praises to love Each of six men offer their interesting diverse thoughts on the matter ranging from the conventional to the Socratic ideal Phaedrus says that the greatest good a boy can have is a gentle lover and that the greatest good a lover can have is a boy to love He stresses self sacrifice and virtue as the kind of love the gods love most Pausanias describes two kinds of love vulgar love is best explained as love for a woman in the interest of sexual satisfaction noble love is that concerned with bettering the soul of the object of love necessarily a young boy The doctor Eryximachus explains love in terms of harmony and he goes so far as to credit the vague notion of love with accomplishing all kinds of things in a diverse set of subjects Aristophanes begins by relating a myth about man's origins When man was created individuals were actually attached back to back the gods later split each human entity in half and love consists of each person's search for his missing half who can be of either sex even when two mates find one another their love is imperfect because they cannot become literally attached as they were originally Agathon says that Love is the youngest of the gods that he offers the means by which all disputes between the gods and between men are settled and emphasizes the beauty of love represented quite well by himself he seems to say **Plato's Symposium** Plato, 2003 The dramatic nature of Plato's dialogues is delightfully evident in The Symposium The marriage between character and thought bursts forth as the guests gather at Agathon's house to celebrate the success of his first tragedy With wit and insight they each present their ideas about love from Eryximachus's scientific naturalism to Aristophanes comic fantasy The unexpected arrival of Alcibiades breaks the spell cast by Diotima's ethereal climb up the staircase of love to beauty itself Ecstasy and intoxication clash as Plato concludes with one of his most skillful displays of dialectic

Symposium Plato, 1989 A model of the kind of text one needs for lecture courses the translation is extremely readable and made even more accessible by intelligent printing decisions on dividing the text spacing for clarification etc the notes are kept to a minimum but appear when they are really needed for comprehension and are truly informative And the introduction admirably presents both basic information and a sense of current scholarly opinion S G Nugent Princeton University

Plato's Symposium Plato, 2013-01-07 Plato Allan Bloom wrote is the most erotic of philosophers and his *Symposium* is one of the greatest works on the nature of love ever written This new edition brings together the English translation of the renowned Plato scholar and translator Seth Benardete with two illuminating commentaries on it Benardete's *On Plato's Symposium* and Allan Bloom's provocative essay *The Ladder of Love* In the *Symposium* Plato recounts a drinking party following an evening meal where the guests include the poet Aristophanes the drunken Alcibiades and of course the wise Socrates The revelers give their views on the timeless topics of love and desire all the while addressing many of the major themes of Platonic philosophy the relationship of philosophy and poetry the good and the beautiful **Symposium**

Plato, 2016-11-16 The *Symposium* is a philosophical text by Plato dated c 385-370 BC It concerns itself at one level with the genesis purpose and nature of love and in latter day interpretations is the origin of the concept of Platonic love Love is examined in a sequence of speeches by men attending a symposium or drinking party Each man must deliver an encomium a speech in praise of Love Eros The party takes place at the house of the tragedian Agathon in Athens Socrates in his speech asserts that the highest purpose of love is to become a philosopher or literally a lover of wisdom Commonly regarded as one of Plato's major works the dialogue has been used as a source by social historians seeking to throw light on life in ancient Athens in particular upon human sexuality and the symposium as an institution **Symposium (Annotated)** Plato, 2015-10-23

Of all the works of Plato the *Symposium* is the most perfect in form and may be truly thought to contain more than any commentator has ever dreamed of or as Goethe said of one of his own writings more than the author himself knew For in philosophy as in prophecy glimpses of the future may often be conveyed in words which could hardly have been understood or interpreted at the time when they were uttered compare *Symp* which were wiser than the writer of them meant and could not have been expressed by him if he had been interrogated about them **An Analysis of Plato's Symposium** Richard Ellis, Simon Ravenscroft, 2017-07-05 Plato's *Symposium* composed in the early fourth century BC demonstrates how powerful the skills of reasoning and evaluation can be Known to philosophers for its seminal discussion of the relationship of love to knowledge it is also a classic text for demonstrating the two critical thinking skills that define Plato's whole body of work Plato's philosophical technique of dialogue is the perfect frame for producing arguments and presenting a persuasive case for a given point of view and at the same time judging the strength of arguments their relevance and their acceptability Staging a fictional debate between characters wealthy Athenians at a dinner party who must respond in turn to each others arguments and points of view means that at every stage Plato evaluates the previous argument assesses its strength and

relevance and then proceeds through the next character to reason out a new argument in response Exerting unparalleled influence on the techniques of philosophical thought Plato s use of dialogue is a supreme example of these two crucial critical thinking skills *Plato's Stepping Stones* Michael Cormack,2006-10-15 One difficulty with interpreting Plato is that his philosophical views are hidden within his dialogues and articulated through his dramatic characters Nowhere in the dialogues does Plato the philosopher speak directly to his readers One of the fundamental tenets of Platonism is the assertion that virtue is knowledge Yet Socrates and the other characters in the dialogues do not maintain consistent views on the role of knowledge in virtue This book develops a new interpretation of the puzzling claim that virtue is knowledge while also providing a reading of the dialogues as a whole which harmonizes the apparently diverse statements of their various characters Michael Cormack examines dialogues from Plato s early and middle periods emphasizing the role knowledge plays in each The most significant of Plato s examples of knowledge is the type of knowledge possessed by the craftsman Using craft knowledge as a guide Cormack illustrates the similarities and differences between craft knowledge and Plato s concept of moral knowledge that specific type of knowledge identified with virtue While the Platonic conception of virtue is widely recognized as the apprehension of universal truths this book illustrates how the dialogues reveal a number of distinct degrees of understanding that correspond to distinct degrees of virtue The significance of this interpretation is that Plato has not only revealed the goal of the philosophic life but has shown us the path or the stepping stones as he calls them in the Republic that we should follow to reach that goal *Symposium and Phaedrus* Plato,2012-03-15 Two important dialogues offer crucial insights into Platonic doctrine *Symposium* deals with ultimate manifestation of love eternal beauty *Phaedrus* discusses psychology of love forms as objects of transcendental emotion Jowett translation **Symposium of Plato** Plato,1993-05-24 By far the liveliest most readable translation ever published of the *Symposium* perhaps the liveliest most readable translation of a Platonic dialogue ever printed John Patrick Lynch Much the best translation of the *Symposium* that I have ever read In his ambition to avoid translator s English Griffith has been completely successful Nor has he sacrificed accuracy even where he sacrifices literalness G R F Ferrari **Erotic Wisdom** Gary Alan Scott,William A. Welton,2008-12-18 *Erotic Wisdom* provides a careful reading of one of Plato s most beloved dialogues the *Symposium* which explores the nature and scope of human desire er s Gary Alan Scott and William A Welton engage all of the dialogue s major themes devoting special attention to illuminating Plato s conception of philosophy In the *Symposium* Plato situates philosophy in an intermediate metaxu position between need and resource ignorance and knowledge showing how the very lack of what one desires can become a guiding form of contact with the objects of human desire The authors examine the concept of intermediacy in relation both to Platonic metaphysics and to Plato s moral psychology arguing that philosophy for Plato is properly understood as a kind of being in between as the love of wisdom philosophia rather than the possession of it **Symposium by Plato** Plato,2020-03-25 The *Symposium* is a philosophical text by Plato dated c 385 370 BC The event

depicted in the Symposium is a banquet attended by a group of men who have come to the symposium which was in ancient Greece a traditional part of the same banquet that took place after the meal when drinking for pleasure was accompanied by music dancing recitals or conversation The setting means that the participants will be drinking wine meaning that the men might be induced to say things they wouldn't say elsewhere or when sober They might speak more frankly or take more risks or else be prone to hubris they might even be inspired to make speeches that are particularly heartfelt and noble The men include the philosopher Socrates the general and political figure Alcibiades and the comic playwright Aristophanes The host has challenged the men to deliver each in turn an encomium a speech in praise of Love Eros Though other participants comply with this challenge Socrates notably refuses to participate in such an act of praise and instead takes a very different approach to the topic The party takes place at the house of the tragedian Agathon in Athens This dialogue is one of Plato's major works and is appreciated for both its philosophical content and its literary qualities A True Classic for Lovers of Philosophical Texts

As recognized, adventure as competently as experience nearly lesson, amusement, as capably as arrangement can be gotten by just checking out a ebook **Plato Symposium** furthermore it is not directly done, you could allow even more more or less this life, around the world.

We manage to pay for you this proper as competently as simple pretension to get those all. We meet the expense of Plato Symposium and numerous ebook collections from fictions to scientific research in any way. in the middle of them is this Plato Symposium that can be your partner.

Plato Symposium Introduction

In the digital age, access to information has become easier than ever before. The ability to download Plato Symposium has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Plato Symposium has opened up a world of possibilities. Downloading Plato Symposium provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Plato Symposium has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Plato Symposium. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Plato Symposium. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Plato Symposium, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Plato Symposium has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it

is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Plato Symposium Books

What is a Plato Symposium PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it.

How do I create a Plato Symposium PDF? There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF.

How do I edit a Plato Symposium PDF? Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities.

How do I convert a Plato Symposium PDF to another file format? There are multiple ways to convert a PDF to another format:

Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats.

How do I password-protect a Plato Symposium PDF? Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities.

Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as:

LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities.

How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss.

Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information.

Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
