

Different Roles in Play Production

Role of a Character as an Actor/Performer, or Production staff

Producing a theatre play or movie is not a simple job. The complexity of it is undeniably present which requires people to perform different tasks. Aside from the actors who take the center stage, much of the work is being done behind the scenes, and these people are called the production team. Let us look at the different roles of the members of the production team.

PRODUCER

One of the main roles of a producer is to oversee the overall aspects of the production. He or she is responsible to the financial and managerial functions of the production. The producer provides
