### Start with Content Planning

This way you can also ensure that your content pushes is consistent across different platforms.

### Engage With Your Audience

Social media allows businesses to interact with their customers on a level never possible before. Use this engagement as a way of building relationships rather than just posting sales messages out. Ensure that all customer comments are processed quickly, this shows customers that you are active, engaged, and responsive to their needs or concerns.

### Set Clear Goals & Benchmarks

Before starting any social media campaign for your small business, make sure to set goals about what you expect from them.
