Marlowe A Critical Study:

Marlowe: A Critical Study J. B. Steane, 1964-01-03 This is a thorough critical study of Marlowe's entire output plays translations and poems prefaced by a biographical chapter It is an attempt to provide the life and works study for the general reader Mr Steane takes the poetry as the centre of his interest offering a literary judgement on Marlowe's art rather than further discussion of sources and background He provides a balanced account of a great poetic dramatist a writer of exceptional power whose poetry also reveals profound human flaws Marlowe J. Frederick Samuel Boas, 1966 Christopher Marlowe and the Metaphysical Problem Play Bruce Edwin Brandt, 1977 **A Critical Study of Christopher Marlowe's Hero and Leander** Josephine M. Barnes, 1978 *Christopher Marlowe* Frederick S. Boas, 1940 Doctor Faustus [C. Marlowe, 1987 Decoding Christopher Marlowe's Plays Putatunda Sarbani, 2019-07-17 Marlowe's short but blazing dramatic career introduced the world to that shadowy area of the Elizabethan life which till then was hardly disclosed by any author In fact Marlowe's scathing attacks against the existing social order took the Elizabethans by storm Hence many among the elites found him rather difficult to digest Added to it his notorious personal life gave them material to stamp him as a person of dubious character But with rising popularity of his plays on the English stage they conceded his works and allowed him to thrive as a dramatist It was only with the arrival of Shakespeare Marlowe's works were slightly overshadowed Nevertheless the indelible mark that he left behind in all his seven plays fueled the artistry of most of the future dramatists including Shakespeare The present collection of critical essays

intends to introduce the readers to the wide gamut of Marlovian art It deals with five major plays of Marlowe Tamburlaine the Great Part One Tamburlaine the Great Part Two The Jew of Malta Doctor Faustus and Edward the Second Apart from the introduction the work includes a brief survey of Renaissance drama without which Marlowe's position in the history of English plays cannot really be ascertained As we all know English drama first found its expression in the religious preachings of the churches It then traversed a long way from the Middle Ages to reach its five act structured form in the Elizabethan age Contribution of very many authors helped it to evolve in the fashion it did The study centers round this evolution The basic target of this volume is to provide students and scholars alike a comprehensive and over all view of Christopher Marlowe's artistic skill and also his contribution in developing English drama As we all know before the advent of the University Wits structurally English drama was in a nebulous or rather experimental state The five act structure an acquired form from classical plays was firmly rooted to the English stage by the seven stalwart playwrights of whom Marlowe was the brightest and most promising one So our endeavour in the present volume has been to generate this regard and admiration for this blazing genius of the yester years As with other writers of the period little is known about Marlowe's personal life Only a few legal records and official documents provide glimpses of the wildness of the man Yet this has not stopped writers of both fiction and non fiction from speculating about his activities and character The common attributes of the man has often been a spy a brawler a heretic a homosexual as well as a magician duellist tobacco user counterfeiter and rakehell J A Downie and Constance Kuriyama have argued against the more lurid speculation but J B Steane maintains It seems absurd to dismiss all of these Elizabethan rumours and accusations as the Marlowe myth Marlowe's lineage however as per documental evidences seemed to have been above all speculation Marlowe was the son of a prosperous shoemaker who finally became the Mayor of Canterbury Born in 1564 the same year as Shakespeare Marlowe took up scholarships first at King's School Canterbury and then at Corpus Christi College Cambridge He earned his Bachelor of Arts degree in 1584 but in 1587 the university hesitated in granting him his master's degree Its doubts perhaps arising from his frequent absences or speculation that he had converted to Roman Catholicism and would soon attend college elsewhere were set to rest or at least dismissed when the Privy Council sent a letter declaring that he was now working on matters dealing with the interests of his country Consequently he was awarded his master's degree on schedule The nature of Marlowe's service to England however was not specified by the council but the letter when sent to Cambridge provoked abundant speculation

Marlowe's Counterfeit Profession Patrick Cheney,1997-12-01 Cheney argues that Marlowe organizes his canon around an Ovidian career model or cursus which turns from amatory poetry to tragedy to epic The first comprehensive reading of the Marlowe canon in over a generation
