**Criticism Without Authority** Jennifer Sichel, 2025-11-24 A reframing of the history of 1960s New York avant garde art centered on the queer genre bending criticism of Gene Swenson and Jill Johnston In the early 1960s Gene Swenson and Jill Johnston began to imagine art criticism as something unruly and expansive rejecting modernist appeals to purity and coherence that had overtaken the field These critics were deeply enmeshed in New York s avant garde art scene and both were explicitly and unapologetically queer First working independently of one another then later in dialogue Swenson and Johnston demanded criticism become life sustaining subverting protocols and distorting its form beyond recognition They utilized criticism as a means of navigating queer existence and reclaimed terms like lesbian homosexual mad and psychotic as their own Jennifer Sichel follows the intertwined paths of Swenson and Johnston providing a history of queer practices that were central to the development of avant garde art but have been largely overlooked Criticism Without Authority makes their work visible not just as criticism but as its own form of art As Sichel shows Swenson s and Johnston s practices bucking categories and disciplinary formations resist historical streamlining and stand as a key for unlocking the queerness of postwar art history
