Commandment 1 Marriages are made in heaven. But so again, are thunder and lightning.

Commandment 2 If you want your spouse to listen and pay strict attention to every word you say, talk in your sleep.

Commandment 3 Marriage is grand -- and divorce is at least 100 grand!

Commandment 4 Married life is very frustrating.

In the first year of marriage, the man speaks and the woman listens.

In the second year, the woman speaks and the man listens.

In the third year, they both speak and the neighbors listen.

Commandment 5 When a man opens the door of his car for his wife, you can be sure of one thing: Either the car is new or the wife is.

Commandment 6 Marriage is when a man and woman become as one; the trouble starts when they try to decide which one.

Commandment 7 Before marriage, a man will lie awake all night thinking about something you said. After marriage, he will fall asleep before you finish.

Commandment 8 Every man wants a wife who is beautiful, understanding, economical, and a good cook. But the law allows only one wife.

Commandment 9 Every woman wants a man who is handsome, understanding, economical and a considerate lover, but again, the law allows only one husband.

Commandment 10 Man is incomplete until he marries. After that, he is finished.

Bonus Commandment story:

A long married couple came upon a wishing well. The wife leaned over, made a wish and threw in a penny.

The husband decided to make a wish too. But he leaned over too much, fell into the well, and drowned.

The wife was stunned for a moment but then smiled, 'It really works!'

[Russian Peasant Bride Theft](#) John Bushnell, 2021-03-15 This book explores the history of Russian peasant bride theft abduction capture from the adoption of Christianity in Kievan Rus in the late tenth century to the very early twentieth century It argues that bride theft in eighteenth and nineteenth century Russia was practised in large part by but not exclusively by Old Believers the schismatics who rejected the Church reforms of the mid seventeenth century and shunned contact with the Orthodox Church and that the point of bride theft where the bride was often a willing party often married secretly at night by an Orthodox priest acting illegally was to absolve the bride and her parents of the responsibility for engaging in a formal Orthodox ritual which Old Believers regarded as sinful The book also considers how bride theft originated much earlier in Russia and was a continuing tradition in some places and how all this fitted into the Russian peasant economy Throughout the book provides rich details of particular bride theft cases of Russian peasant life and of Russian folklore in particular bridal laments
