Marriage Litigation In Medieval England

David Matthews

Marriage Litigation In Medieval England:

Marriage Litigation in Medieval England Helmholz, R. H. Helmholz, 2007-03-26 This book tells one part of the long history of the institution of marriage Questions concerning the formation and annulment of marriage came under the exclusive jurisdiction of the church courts during the Middle Ages Drawing on unpublished records of these courts Professor Helmholz describes the practical side of matrimonial jurisdiction and relates it to his outline of the formal law of marriage He investigates the nature of the cases heard the procedure used the people involved and changes over the period covered all of which add to what is known about marriage and legal practice in medieval England The concluding assessment of canonical jurisdiction over marriage suggests that the application of the law was more successful than is usually thought **Marriage**

Litigation in Medieval England R. H. Helmholz, 1986 This book tells one part of the long history of the institution of marriage Questions concerning the formation and annulment of marriage came under the exclusive jurisdiction of the church courts during the Middle Ages Drawing on unpublished records of these courts Professor Helmholz describes the practical side of matrimonial jurisdiction and relates it to his outline of the formal law of marriage He investigates the nature of the cases heard the procedure used the people involved and changes over the period covered all of which add to what is known about marriage and legal practice in medieval England The concluding assessment of canonical jurisdiction over marriage suggests that the application of the law was more successful than is usually thought **Marriage Litigation in Medieval England** Richard H. Helmholz, 1978 *Marriage Litigation in Medieval England* Richard Henry Helmholz, 1970

Marriage Disputes in Medieval England Frederik Pedersen, 2000-01-01 Most information about medieval life comes from the records of the church courts of the province of York which date from the 14th century This work investigates cases involving a range of disputes including sex consent and violence **Marriage in Medieval England** Conor McCarthy, 2004 A survey of attitudes to marriage as represented in medieval legal and literary texts Medieval marriage has been widely discussed and this book gives a brief and accessible overview of an important subject It covers the entire medieval period and engages with a wide range of primary sources both legal and literary It draws particular attention to local English legislation and practice and offers some new readings of medieval English literary texts including Beowulf the works of Chaucer Langland's Piers Plowman the Book of Margery Kempe and the Paston Letters Focusing on a number of key themes important across the period individual chapters discuss the themes of consent property alliance love sex family divorce and widowhood CONOR MCCARTHY gained his PhD from Trinity College Dublin **Franciscan Organisation in the Mendicant Context** Michael J. P. Robson, Jens Röhrkasten, 2010 Emanating from the tradition of the Italian hermit communities the Franciscans developed organisational structures already early in their history allowing them to offer pastoral care on a wide scale This process of transition led firstly to constitutional structures as defined in the order's early legislation but it also occurred within relationship networks at different levels in the context of Church and papacy within the

different European regions and before the background of the emerging Canon Law The term organisation has been given a wide definition in the articles published in this volume They offer a survey of general issues related to the structuring and running of religious orders as well as a number of case studies Comparisons with other mendicant orders offer an analysis of the issues in a wider context [Divorce in Medieval England](#) Sara Margaret Butler,2013 Divorce in Medieval England is intended to reorient scholarly perceptions concerning divorce in the medieval period Divorce as we think of it today is usually considered to be a modern invention This book challenges that viewpoint documenting the many and varied uses of divorce in the medieval period and highlighting the fact that couples regularly divorced on the grounds of spousal incompatibility Because the medieval church was determined to uphold the sacrament of marriage whenever possible divorce in the medieval period was a much more complicated process than it is today Thus this book steps readers through the process of divorce including grounds for divorce the fundamentals of the process the risks involved financial implications for wives who were legally disabled thanks to the rules of coverture the custody and support of children and finally what happens after a divorce Readers will gain a much greater appreciation of marriage and women s position in later medieval England **Wife and Widow in Medieval England** Sue Sheridan Walker,1993 Examines the role of women in medieval law and society

Regional Variations in Matrimonial Law and Custom in Europe, 1150-1600 Mia Korpiola,2011-12-09 The book approaches medieval marriage law and custom from a comparative perspective Although concentrating on source material from one region some articles discuss the regionality and universality of matrimonial practices and norms Others compare several regions *Class and Gender in Early English Literature* Britton J. Harwood,Gillian R. Overing,1994-05-22 The essays focus on class and gender not only sheds new light on old texts but also stretches the boundaries of the critical modus operandi which is often applied to such literature Women s Studies Network UK Association Newsletter These dramatic new readings of Old and Middle English texts explore the rich theoretical territory at the intersection of class and gender and highlight the interplay of the critic methodology and the medieval text *Love, Sex & Marriage in the Middle Ages* Conor McCarthy,2022-04-20 This updated edition collects an extensive range of evidence for how people in the European Middle Ages thought about the emotional state of love the physical act of sex and the social institution of marriage Included are extracts from literary and theological works medical and legal writings conduct books chronicles and letters These texts discuss married couples who are not having sex and unmarried ones who are We encounter marriages for creating alliances marriages for love and promises of marriage made in the hope of obtaining sex Learned texts discuss the etymology of sexual terms and the medical causes of difficulties in conceiving There are accounts of clandestine marriages sexual violence the madness of love melancholy and much more By drawing on diverse voices and presenting less accessible material this sourcebook provides a nuanced view of how medieval people thought about these subjects and questions the similarities and differences between their perspectives and our own With an expanded range of texts wider geographical scope suggestions

for further reading and updated explanatory material to reflect changes in scholarship in over two decades this edition is an invaluable resource for students interested in sexuality gender and relationships in the Middle Ages **British Women's History**, 1996 This is one of a series of bibliographical guides designed to meet the needs of undergraduates postgraduates and their teachers in universities and colleges of further education All volumes in the series share a number of common characteristics They are selective manageable in size and include those books and articles which are considered most important and useful All are edited by practising teachers of the subject in question and are based on their experience of the needs of students The arrangement combines chronological with thematic divisions Most of the items listed receive some descriptive comment **Gender, Family, and Politics** Nicola Clark, 2018-07-25 Gender Family and Politics is the first full length gender inclusive study of the Howard family one of the pre eminent families of early modern Britain Most of the existing scholarship on this aristocratic dynasty s political operation during the first half of the sixteenth century centres on the male family members and studies of the women of the early modern period tends to focus on class or geographical location Nicola Clark however places women and the question of kinship in centre stage arguing that this is necessary to understand the complexity of the early modern dynasty A nuanced understanding of women s agency dynastic identity and politics allows us to more fully understand the political social religious and cultural history of early modern Britain

Women, Agency and the Law, 1300-1700 Bronach Kane, 2015-10-06 Based on close readings of both public and private documents court records churchwarden accounts depositions diaries letters and pamphlets this collection of essays presents the largely untold story of non elite women and their dealings with the law **Love Sex & Marriage Middle Age** Conor McCarthy, First published in 2004 Routledge is an imprint of Taylor Francis an informa company **Aristocratic Marriage, Adultery and Divorce in the Fourteenth Century** Bridget Wells-Furby, 2019 The life of that notorious woman Lucy de Thweng is used as a prism through which to consider the agency of aristocratic women in the Middle Ages The Yorkshire heiress Lucy de Thweng was married as a child to her first husband but later divorced him entered into an adulterous relationship with another man was forced into marriage to a second husband and then after a period of widowhood married for the third time to a congenial partner of her own choice This sounds a remarkable and unusual story but was it This book uses the episodes of Lucy s life to explore how far she was exceptional in her time and rank and highlights aspects of personality and personal relationships which are not often recognized It undertakes extensive investigations into divorce in contemporary aristocratic families and extra marital sexual relationships by women as well as discussing the marriage of heiresses and the pressures to remarry which widows endured These show that the theoretical religious and secular restraints on marriage and sex were often ignored by both men and women and how women particularly if they were heiresses were able to make their own decisions in these matters As the legitimate procreation of children within the licensed environment of marriage was the forum for the succession to landed estates the book also

considers how this behaviour affected those estates BRIDGET WELLS FURBY is an independent scholar whose interests lie chiefly in late medieval landed estates and their context

A Cultural History of Marriage in the Medieval Age Joanne M. Ferraro, Frederik Pedersen, 2021-11-18 Marriage in Europe became a central pillar of society during the medieval period Theologians lawyers and secular and church leaders agreed on a unique outline of the institution and its legal framework the essential features of which remained in force until the 1980s The medieval Western European definition of marriage was unique before the legal consequences of marriage came into being the parties had to promise to engage in sexual union only with one partner and to remain in the marriage until one of the parties died This requirement had profound implications for inheritance rules and for the organization of the family economy it was explained and justified in a multitude of theological discussions and legal decisions across all faiths on the European continent Normative texts built on the foundations of the scriptures of several religious traditions provided an impressive intellectual framework around marriage In addition developments in iconography including sculpture and painting projected the dominant model of marriage while social demographic and cultural changes encouraged its adoption This volume traces the medieval discussion of marriage in practice law theology and iconography It provides an examination of the wider political and economic context of marriage and offers an overview of the ebb and flow of society's ideas about how expressions of human sexuality fit within the confines of a clearly defined social structure and ideology A Cultural History of Marriage in the Medieval Age presents an overview of the period with essays on Courtship and Ritual Religion State and Law Kinship and Social Networks the Family Economy Love and Sex the Breaking of Vows and Representations of Marriage

Studies in the Age of Chaucer David Matthews, 2013-01-15 Studies in the Age of Chaucer is the annual yearbook of the New Chaucer Society publishing articles on the writing of Chaucer and his contemporaries their antecedents and successors and their intellectual and social contexts More generally articles explore the culture and writing of later medieval Britain 1200 1500 Each SAC volume also includes an annotated bibliography and reviews of Chaucer related publications

Marriage Litigation in Medieval English Richard H. Helmholz, 1974

Marriage Litigation In Medieval England Introduction

In the digital age, access to information has become easier than ever before. The ability to download Marriage Litigation In Medieval England has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Marriage Litigation In Medieval England has opened up a world of possibilities. Downloading Marriage Litigation In Medieval England provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Marriage Litigation In Medieval England has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Marriage Litigation In Medieval England. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Marriage Litigation In Medieval England. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Marriage Litigation In Medieval England, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites.

they are downloading from. In conclusion, the ability to download Marriage Litigation In Medieval England has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Marriage Litigation In Medieval England Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Marriage Litigation In Medieval England is one of the best book in our library for free trial. We provide copy of Marriage Litigation In Medieval England in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Marriage Litigation In Medieval England. Where to download Marriage Litigation In Medieval England online for free? Are you looking for Marriage Litigation In Medieval England PDF? This is definitely going to save you time and cash in something you should think about.
