P. 4 of cover. *Married In Haste* Ruth Nordin, 2017-12-11. For Miss Ava Baynes, it was love at first sight. For Brad Bachman, Earl of Youngtown, it was disaster at first dance. As soon as Ava meets Brad, she knows he is perfect for her, but when she accidentally makes him trip in front of everyone at the ball, he vows to avoid her at all costs. Fate, however, has other plans for him. And in this case, fate takes the form of Brad's younger brother, who is out for revenge. His brother sets a trap that brings the two into a scandal they can't escape. Now they must marry. As much as Ava wants to marry Brad, she never wanted to do it against his will. Upon their wedding night, he runs out of her bedchamber, leaving her bed and her heart feeling empty. Her new husband doesn't want anything to do with her, and she doesn't know what she can do about it. Unknown to her, Brad is attracted to her. He just has one big problem: he can't seem to overcome, no matter how hard he tries. He's terrified of going to her bed. Perhaps if he had some experience, he might feel more confident, but he's never even kissed a lady. Worse, he has to deal with a conniving brother who's telling him that he'll fail as a lover. As the days pass in their marriage, things get more and more strained between them. At some point, something has to give. But can one of them break down the barrier between them before they lose their chance at a happily ever after? [The Rake's Vow](#) Ruth Ann Nordin, 2017. Miss Loretta Bachman convinces a reformed rake who has vowed to never sleep with another lady to marry her and pretend he's deeply in love with her, so she can impress the Ton. Thaddeus Tad Darkin, the Duke of Lambeth, used to be a rake. In fact, before Lord Edon was scandalizing the Ton, Tad was the one everyone was talking about. Many gentlemen secretly wished they had his charm with

the ladies All reputable ladies were warned to stay as far from him as possible which only made him all the more attractive Then after a tragic event he took a vow of celibacy promising he would never be intimate with another lady again Over the years this caused him to be the most sought after single gentleman in all of London And even though he doesn't want to marry his steward left him in financial ruin so whether he likes it or not he must take a wife After being rejected by the gentleman she was hoping to marry Miss Loretta Bachman is on a mission to save her reputation She needs to marry someone who will impress the prestigious ladies in her social circle So when she catches the leader of the group talking about the very handsome and hard to get Duke of Lambeth she's determined to get him to marry her All she needs is a little bargaining power and fortunately for her she happens to have the money he needs to save his estate When she learns of his vow to remain celibate she agrees to keep away from his bed After all her only reason for marrying him is to secure her social standing in London not to have a love match All she asks is that he pretends to be deeply in love with her when they're in public That way she will succeed in impressing the Ton But before long the lines between what is pretend and what is real starts to blur and it's hard to decide how far to push the limits of their agreement
