Abraham Lincoln's Path to Reelection in 1864 Fred J. Martin Jr., 2013-12-20 PRAISE FOR ABRAHAM LINCOLN'S PATH TO REELECTION IN 1864 OUR GREATEST VICTORY Political polls consistently record a substantial lack of confidence in national political leaders of both major parties and a disturbing sentiment that the United States is on the wrong track in current policy developments These sentiments lead to unfortunate summaries of alleged failures of our democratic institutions and proposals Fortunately at this moment in our history Fred J Martin Jr has stepped forward with a comprehensive analysis of politics in 1860s and most importantly the political genius Abraham Lincoln as he led our country through a series of perilous crises into new paths of confidence and greatness I admire especially Fred Martin's mastery of political detail and the large variety of motivations strategies and actions of a wide assortment of political players Former Senator Richard Lugar Arguably the most consequential election in American history the presidential contest of 1864 has cried out for a more sophisticated analysis than it has heretofore received Fortunately Fred Martin's background in political journalism and in banking has enabled him to provide such an analysis in this book which is a welcome addition to the Lincoln literature Michael Burlingame Author Abraham Lincoln A Life Distinguished Chair in Lincoln Studies History Department College of Liberal Arts and Sciences University of Illinois Springfield IL Fred Martin has written an illuminating account of the roots of Lincoln's success as president culminating in his victory in the critical election of 1864 Effectively using Lincoln's words as well as those of his contemporaries Martin demonstrates how it became possible for Lincoln to overcome his early background and become a skillful and ethical political leader who saved the Union and ended slavery The book clearly is a labor of love for Martin a long time student of Abraham Lincoln Every person interested in Lincoln and his presidency should have this well researched and well written book in his her library William C Harris author of Lincoln and the Border States Preserving the Union 2011 and Lincoln and the Union Governors 2013 **Abraham Lincoln's Contemporaries** Lincoln Financial Foundation Collection, 1909 *Abraham Lincoln* William Martin 1842-1906 Jones, 2016-05-05 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Complete**
