

Marx Brothers A Bio Bibliography

Robert E. Weir

Marx Brothers A Bio Bibliography:

The Marx Brothers Wes D. Gehring, 1987-07-28 This bio bibliography was designed to present a combined biographical critical and bibliographical portrait of the Marx Brothers It examines their significance in film comedy in particular and as popular culture figures in general The book is divided into five sections beginning with a biography which explores the public and private sides of the Marx Brothers The second section is concerned with the influences of the Marx Brothers as icons of anti establishment comedy as contributors to developments in American comedy as early examples of saturation comedy and as a crucial link between silent films and the talkies Three original articles two by Groucho and one by Gummo comprise part three A bibliographical essay which assesses key reference materials and research collections is followed by two bibliographical checklists Appendices containing a chronological biography with a timeline a filmography and a selected discography complete the work

The Marx Brothers and America Robert E. Weir, 2022-08-31 The ground has shifted from the days in which serious history and boring went hand in glove Textbooks and lectures have their place but less traditional classrooms can be powerfully immersive and insightful Take the 1929 Marx Brothers film *The Cocoanuts* and what it teaches about both the Great Depression and early sound films The Marx Brothers are among the funniest comedy teams of all time Four of their 13 films are on the American Film Institute's list of the 100 greatest American comedies ever made For many contemporary viewers though getting the jokes is not always easy because the humor can be subjective and timebound This work looks at the American past through the lens of the Marx Brothers films and other projects Each of the chapters focuses on a specific film contextualizing the world at the time and how the Marx Brothers lampooned those subjects Along the way the book demonstrates what the Marx Brothers revealed about weighty topics like gambling gender relations immigration medical care Prohibition race and war all leavened with offbeat humor

[The Comic Offense from Vaudeville to Contemporary Comedy](#) Rick DesRochers, 2014-07-31 [The Comic Offense from Vaudeville to Contemporary Comedy](#) examines how contemporary writer performers are influenced by the comedic vaudevillians of the early 20th century By tracing the history and legacy of the vaudeville era and performance acts like the Marx Brothers and The Three Keatons and moving through the silent and early sound films of the early 1930s the author looks at how comic writer performers continue to sell a brand of themselves as a form of social commentary in order to confront and dispel stereotypes of race class and gender The first study to explore contemporary popular comic culture and its influence on American society from this unique perspective Rick DesRochers analyzes stand up and improvisational comedy writing performing in the work of Larry David Tina Fey Stephen Colbert and Dave Chappelle He grounds these choices by examining their evolution as they developed signature characters and sketches for their respective shows *Curb Your Enthusiasm* *30 Rock* *The Colbert Report* and Chappelle's *Show*

Joe E. Brown Wes D. Gehring, 2014-12-24 As a young boy in the depths of the 1890s depression Joe E Brown had a job making faces at the firemen on passing coal burning trains so they would throw coal at him As a child he also worked as a

circus acrobat and newsboy His inventiveness and spunk helped his family get through hard times but also fueled his fascination with entertainment and he built up a repertoire of rubber faced expressions and funny antics that would make his stage and screen work memorable Baseball was a favorite pursuit in his life and thus a recurring theme in his films and skits In this biography the first on one of the top film comedians of the 1930s the reader learns of Joe s challenging childhood and how it prepared him for later screen roles and how his love of baseball translated into screen successes His early career in vaudeville is discussed his work as a Broadway comedian in the Roaring Twenties his road to movie stardom and how he parlayed his love of sports into big hits like 1930 s Elmer the Great The year 1935 gets its own chapter its films are considered the pinnacle of Brown s career including Alibi Ike Bright Lights and A Midsummer Night s Dream The final chapters reveal what happened after he left Warner Bros including the bittersweet 1940s when he entertained troops around the globe while mourning a son lost to the war The book concludes with a comprehensive filmography of his features from 1928 to 1963

[The Marx Brothers Encyclopedia](#) Glenn Mitchell,2009-05 This edition originally published 2003 *Film Clowns of the Depression* Wes D. Gehring,2014-11-21 The 1930s are routinely considered sound film s greatest comedy era Though this golden age encompassed various genres of laughter clown comedy is the most basic type This work examines the Depression decade s most popular type of comedy the clown or personality comedian Focusing upon the Depression era the study filters its analysis through twelve memorable pictures Each merits an individual chapter in which it is critiqued The films are deemed microcosmic representatives of the comic world and discussed in this context While some of the comedians in this text have generated a great deal of previous analysis funnymen like Joe E Brown and Eddie Cantor are all but forgotten Nevertheless they were comedy legends in their time and their legacy as showcased in these movies merits rediscovery by today s connoisseur of comedy Even this book s more familiar figures such as Charlie Chaplin and the Marx Brothers are often simply relegated to being recognizable pop culture icons whose work has been neglected in recent years This book attempts to address these oversights and to re expose the brilliance and ingenuity with which the screen clowns contributed a comic resiliency that was desperately needed during the Depression and can still be greatly appreciated today The films discussed are City Lights 1931 Chaplin The Kid From Spain 1932 Cantor She Done Him Wrong 1933 Mae West Duck Soup 1933 Marx Brothers Sons of the Desert 1933 Laurel and Hardy Judge Priest 1934 Will Rogers It s a Gift 1934 W C Fields Alibi Ike 1935 Brown A Night at the Opera 1935 Marx Brothers Modern Times 1936 Chaplin Way Out West 1937 Laurel and Hardy and The Cat and the Canary 1939 Bob Hope

A Century of the Marx Brothers Joseph Mills,2007 In 1905 Julius Marx began his vaudeville career with the singing group The Leroy Trio and was abandoned in the middle of the tour It was an inauspicious start for the person who would become Groucho A hundred years later the Marx Brothers have permeated our culture from the plastic noses and glasses worn at parties to a Smithsonian exhibition which explains DNA recombination using A Night at the Opera Although they completed relatively few films together the brothers have become

icons recognizable even to people who have never seen their movies Most scholarly work on the Marx Brothers has focused on biographical aspects of their careers and lives A Century of the Marx Brothers suggests a myriad of other useful approaches to their film and stage productions The collection s eleven essays examine the Marx Brothers work from a number of critical perspectives ranging from reader response theory to film semiotics The contributors include international scholars in a variety of fields such as literature cultural studies performance studies and film history
