Marriage Builder:

The Marriage Builder Larry Crabb, 2009-08-08 Psychologist Larry Crabb cuts to the heart of the biblical view of marriage the one flesh relationship He argues convincingly that the deepest needs of human personality security and significance ultimately cannot be satisfied by a marriage partner We need to turn to the Lord rather than our spouse to satisfy our needs This frees both partners for soul oneness a commitment to minister to our spouse s needs rather than manipulating them to meet our own needs With soul oneness comes renewed body oneness where couples enjoy sexual pleasure as an expression and outgrowth of a personal relationship The Marriage Builder also identifies three building blocks essential to constructing marriage the grace of God true marriage commitment and acceptance of one s mate Now for the first time discussion questions have been added to aid couples who want to come to deeper understanding of marriage Helpful to counselors and laypersons alike The Marriage Builder is for anyone who longs to transform marriage from trial to triumph
