Marriage and Family Robert H. Lauer, Jeanette C. Lauer, 2022 What do you want out of life If you are like most Americans you would probably include happiness in your answer But where can you find happiness We wrote this text because we believe your personal happiness is crucially tied up with the quality of your intimate relationships The text not only will provide you with a basic understanding of marriage and family life but also will show you how you can apply the knowledge you gain to enrich your life In other words this is not only a text it s a practical guide as well It is conceptual and theoretical social science but it is also applied social science The former comes from the wealth of information and the empirical work of the hundreds of researchers we discuss The latter is found in the Principles for Enhancing Intimacy sections presented in each chapter as well as in the Personal Comparison and What Do You Think inserts Hopefully by the time you complete this book you will have a thorough understanding of marriage and family life today and an understanding of the steps you can take to enhance the quality of your own intimate relationships We have updated this edition throughout with the latest available information First we have incorporated the latest available research more than 200 new references from the professional literature Second we have utilized the most recent government data The new references and government data in addition to updating our knowledge about intimate relationships provide increasingly more information on racial and ethnic differences in those relationships This information integrated throughout the chapters as appropriate shows how Americans of various racial and ethnic backgrounds have similar as well as dissimilar experiences in their family relationships In addition to updating every chapter s research base and statistical data we have made a number of other enhancements to the text s coverage
