Malcolm X Reader:

The Portable Malcolm X Reader Manning Marable, Garrett Felber, 2013-01-16 A look at Malcolm X's life and times from his Pulitzer Prize winning biographer Manning Marable Manning Marable's Pulitzer Prize winning biography *Malcolm X: A Life of Reinvention* has reshaped perceptions of one of America's great revolutionary thinkers This volume the first collection of major documents addressing Malcolm X in decades features never before published material including articles from major newspapers and underground presses oral histories police reports and FBI files to shine a brighter light on Malcolm's life and times Conceived as both a companion to the biography and a standalone volume and assembled by Marable and his key researcher Garrett Felber prior to Marable's untimely death *The Portable Malcolm X Reader* presents an invaluable portrait of Malcolm X For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators

A Malcolm X Reader David Gallen, 1994 Excerpts from works about the life and career of Malcolm X including the autobiography interviews his FBI files and studies by biographers journalists and others shed light on the character and influence of the charismatic Black Muslim leader

Malcolm X James L. Conyers, Andrew P. Smallwood, 2008 Much has been written on the life and work of Malcolm X one of the most important Black leaders of the twentieth century Editors Conyers and Smallwood have assembled an impressive array of contributors whose works reflect their expertise in the fields of history sociology social work religion literature labor and management and Africana studies The essays fuse social science humanistic and professional studies methods as they look at Malcolm X and his contributions in place space and time The objective of the essays is simple and straightforward First the book hopes to challenge scholars in Africana studies to re-examine and re-emphasize Africana leadership of the nineteenth and twentieth century Certainly the idea of this reclamation is critical to examining agency and sovereignty of African people Second the articles promote the implementation of Afrocentric meta-theories in order to describe and evaluate Africana phenomena Lastly the contributions offer readers interdisciplinary tools for restoring connecting and retaining the cultural milieu of Africana accomplishments

We Shook Up the World Tracy Daugherty, 2024-04-30 George Harrison met Muhammad Ali in 1964 when both men were on the cusp of worldwide fame Ten years later the two men simultaneously staged comebacks demonstrating just how much they embodied the promises and perils of their era In doing so Tracy Daugherty suggests they revealed the scope and the limits of political courage and commitment to faith in the modern world *We Shook Up the World* is the story of these two larger than life figures at a momentous time A unique blend of biography and cultural history this book goes to the very heart of the zeitgeist that each man inhabited and reinvented in profound and enduring ways In 1974 deep in the Pennsylvania woods

thirty two year old Muhammad Ali was seeking renewal training to regain his heavyweight boxing title in a fight with George Foreman and exploring questions about his politics his career and his life Meanwhile George Harrison was thirty one years old With the Beatles disbanded his marriage ending and the loss of his mother still fresh he traveled to India to revitalize his faith energy and musical spirit seeking renewal at the Hindu holy city of Varanasi In contemplating how these two complex figures managed to carry the cultural rebelliousness and spiritual yearning of the 1960s into a new era of cataclysmic political economic and social change *We Shook Up the World* offers an intimate perspective on two outsize figures in the nation s and the world s cultural history and a new understanding of their unique contributions to the consciousness of their time and ours

Let Us Make Men D'Weston Haywood,2018-09-25 During its golden years the twentieth century black press was a tool of black men s leadership public voice and gender and identity formation Those at the helm of black newspapers used their platforms to wage a fight for racial justice and black manhood In a story that stretches from the turn of the twentieth century to the rise of the Black Power movement D Weston Haywood argues that black people s ideas rhetoric and protest strategies for racial advancement grew out of the quest for manhood led by black newspapers This history departs from standard narratives of black protest black men and the black press by positioning newspapers at the intersections of gender ideology race class identity urbanization the public sphere and black institutional life Shedding crucial new light on the deep roots of African Americans mobilizations around issues of rights and racial justice during the twentieth century *Let Us Make Men* reveals the critical complex role black male publishers played in grounding those issues in a quest to redeem black manhood
