The Pursuit of Destiny Gilbert Coleman,2021-12-19 In this book the author draws on over three decades of a remarkable and fulfilling odyssey in Christian ministry to delve into the subject of destiny by drawing an apt corollary between the functional integrity of the human body and the spiritual integrity of the body of Christ in the process lucidly establishing the inseparability of a believer s individual destiny from the corporate destiny of the body of Christ Employing real life metaphors the author espouses on what the elements of divine power should really like and their interplay in the life of a true believer in the process challenging conventional thought to convincingly declare that rather than being an infirmary of sorts the church is actually a life giving center that strengthens one to become an overcomer in the world In a unique and refreshing departure from accustomed prose and literary expression the author engages the reader s interest by employing inspiring interactive dialogue between a believer and the Lord to bring home immutable spiritual truths and principles that form the core of authentic spirituality
