Quality Interviewing:

Quality Interviewing Robert B. Maddux, 1986 **How to Conduct In-Person Interviews for Surveys**, 2003 The Kit is for students in undergraduate and graduate classes in the social and health sciences and for individuals in the public and private sectors who are responsible for conducting and using surveys Self-Management of Hypertension Dawn Peters-Bascombe, 2015-09-28 Research shows that African Caribbean populations with hypertension have poorer health outcomes This exploratory and descriptive study described and analyzed self management behavior among male and female hypertensive residents of a village in St Vincent and the Grenadines SVG This qualitative study took place in Lowmans Windward village in SVG In depth semi structured interviews were conducted with a purposive snowball sample of 15 females and 15 males Most participants were poor but all had access to governmentally funded health care Non adherence to medical recommendations on physical activity and dietary intake was evidenced among all participants Over 80% of participants did not own a blood pressure monitoring equipment Females rendered more support to their spouses than they themselves received from husbands More than 60% of participants used herbs and home remedies to control their blood pressure More males reported social support than females Results generally show that self management of hypertension behaviors among both female and male residents of SVG are not extensive and that preventive behaviors can be enhanced with adequate dietary intake daily physical activity and frequent self blood pressure Monitoring **Qualitative Research & Evaluation Methods** Michael Quinn Patton, 2023-02-07 Drawing on more than 40 years of experience conducting applied social science research and program evaluation author Michael Quinn Patton has crafted the most comprehensive and systematic book on qualitative research and evaluation methods inquiry frameworks and analysis options available today Now offering more balance between applied research and evaluation this Fourth Edition illuminates all aspects of qualitative inquiry through new examples stories and cartoons more than a hundred new summarizing and synthesizing exhibits and a wide range of new highlight sections sidebars that elaborate on important and emergent issues For the first time full case studies are included to illustrate extended research and evaluation examples In addition each chapter features an extended rumination written in a voice and style more emphatic and engaging than traditional textbook style about a core issue of persistent debate and controversy Qualitative Psychology Jonathan A. Smith, 2016-01-06 Undertaking qualitative research in psychology can seem like a daunting and complex process especially when it comes to selecting the most appropriate approach for your project or assignment This book written and edited by a world leading group of academics and researchers offers an accessible critical and practical way into qualitative research in psychology Each chapter provides a detailed step by step guide to using a qualitative research method from Conversation Analysis or Focus Groups to Interpretative Phenomenological Analysis or Narrative Psychology Whatever approach you choose to take this book will ensure you get it right from the start New to this Third Edition A chapter on Thematic Analysis A section on how to choose and select the most

appropriate method for your project Quality Interviewing Robert B. Maddux,1988 **Handbook of Applied Social Research Methods** Leonard Bickman,Debra J.
