Workbook for Beginners Moon Node Astrology Bruno Huber, Louise Huber, 2005 One of eight volumes in the Hubers well known series of books on astrological psychology Moon Node Astrology combines depth psychology astrology and reincarnation to bring a new focus on the shadow personality and the evolutionary process of the individual Explains the scientific background and the psychological approach used with the nodes and the moon node chart Also covers the relationship with esotericism and the ideas of Alice Bailey explaining how earlier lives are shown in the aspect structure and house positions of planets in the nodal chart Examples are given of working with the three charts nodal natal and house in helping to understand where the client has come from where they are now and where they are going First published in English in 1995 **The British Journal of Astrology** ,1926 **The Northern Moon Node the Message from Beyond** Mr Sebastian van Wingerden, 2017-09-13 This in depth work describes the system of Carteret how you receive a life purpose the northern Moon node from the celestial guides before you get on the earthly plane and how this message works throughout your life in a sequence of 7 year cycles Your life purpose is a result of your past life experiences the southern Moon node In your youth you get disappointed in your life purpose and abandon it For two 7 year cycles you trust on your southern Moon node qualities to keep your head up After that and after you cracked Pluto you start to live up to your original life purpose again Together with your divine intuition the black Moon Lilith everyone is able to reach completeness for eternity The Moon s nodes are explained in a very practical way in the houses and in conjunction aspect so that everyone can discern their own life destination and the phase they are in This book is full of information you cannot find from other sources and will be of interest to beginners and practicing astrologers alike It was written after 15 years of investigation and experience Sebastian van Wingerden describes a lot of past life session and angels experiences in his rich practice of hypnotherapist to illustrate the working of the Moon nodes The Moon s north node in the horoscope is a powerful indicator of our life purpose This book provides a fascinating background story for the life path in the natal chart The north node in each of the 12 houses is described in detail with case histories from reincarnation sessions with actual clients More than 200 pages are devoted to the northern Moon node in the houses The next nearly 100 pages give interpretations for the planets Mercury through Pluto and the luminaries the Sun and Moon when in conjunction with the northern Moon node Conjunctions are the most powerful aspects in any chart and are the simplest aspects for a beginner to identify The introductory chapters of this book are an added bonus The chart reading system of French philosopher Jean Carteret is described in detail Carteret proposed the use of six spiritual points which together help to delineate the soul s purpose on Earth Carteret is not known to have written down any of his ideas The Moon s nodes and the Black Moon Lilith are included among Carteret s six spiritual points Through hypnotic regression of clients Wingerden gained great insight into the soul s journey between lives and how each lifetime is arranged to obtain specific benefits The first 100 pages of this book are devoted to describing how reincarnation works Wingerden goes into the timeline calculations for the entire lifespan as defined by the progressive new

and full moons The concept of cracking Pluto is also mentioned as part of Carteret's system of interpretation This portion of the book will be of greater interest to the professional astrologer as it uses more technically advanced methods One of the most fascinating features of this book is the detailed stories of past lives which Wingerden has uncovered during client sessions using hypnotic regression techniques Possibly the most controversial idea presented by Wingerden concerns retrograde Mercury and reincarnation refusal This portion of the book highlights the long term effects that severe abuse and trauma can have on the evolving soul This book about the northern Moon node is the foundation of Wingerden's trilogy which also includes a book about cracking Pluto and another about the Black Moon Lilith Together these three books expose Carteret's astrological system in a way that is not easily found elsewhere Wingerden's trilogy provides a solid foundation for an in depth psychological reading of any birth chart In the year 2017 he has published his book *Cracking Pluto* and in the year 2018 his book about the black Moon Lilith will shine its light to complete his trilogy about the system of Carteret

Mundane Or National Astrology H. S. Green, 1911 **The Node Book** Zipporah Pottenger Dobyns, 2010-08 Ancient myths describe an eclipse as the Sun or Moon being swallowed by a dragon Since an eclipse could only occur near the lunar nodes these became the head and tail of the dragon Older references and eastern astrology still call the Moon's North Node the Dragon's Head and the South Node the Dragon's Tail The Node Book goes beyond detailed information about the Moon's Nodes in signs and houses Also included are chapters focused on the planetary nodes of Mercury Venus Mars Jupiter Saturn Uranus and Pluto and the nodes of the four main asteroids Ceres Vesta Juno and Pallas Extensive tables and directions for their use make it easy to find the nodes for the planets and asteroids *The Northern Moon Node* Bastiaan van Wingerden, 2008-03 In accordance with the reincarnation cycles at the start of each life everyone brings along a life destination a task or a commitment to learn Each birth is connected with a script or a plan of life that spans several seven year cycles as is described by the Moon nodes The plan is predestined What you do with it is not because that is up to you The northern Moon node is your life destination the answer of the big why of your life This is the most complete book about the moon nodes The book gives a clear explanation of the astrological system of Carteret the combined actions of the Moon nodes Pluto and the black Moon Lilith Besides the deeper background of this system the roles of the Moon nodes in each house are explained in a very practical way so that everyone can read its own life destination and the phase he is in By recalling many of his clients regression sessions Bastiaan van Wingerden depicts the Moon nodes as being an echo of past lives and a destination for this life Special attention is given to Mercury retrograde and the secret of reincarnation refusal Once you start reading this book you cannot stop anymore an eye opener causing tears to flow freely Even without an astrological background this book is easily readable This book about astrology and reincarnation uses a system of astrological interpretation propounded by a Mr Carteret 1906 1980 Tried tested and put forward here by Bastiaan van Wingerden Bastiaan states The discovery of the ellipses with the aphelium and the perihelium all at once brought six points
