## **Morbid Curiosity:**

Hauntings and Poltergeists James Houran, Rense Lange, 2001-01-01 Few people can claim the distinction of experiencing first hand such occurrences as hauntings and the presence of poltergeists but countless numbers of people are fascinated by these unexplainable events Written by the world's most knowledgeable authorities in this field the essays in this work promote a better understanding of the manifestations of and various reasons for hauntings and poltergeist phenomena The experts come from such backgrounds as anthropology history philosophy psychiatry and sociology and provide sober yet highly readable in depth discussions of numerous ideas and rationalizations for hauntings and poltergeists from a critical and scientific perspective Divided into three major sections sociocultural physical and physiological and psychological perspectives this work provides an overview of each perspective and also addresses the general psychology of belief in the paranormal and how that belief relates to experiences with ghosts and poltergeists **Morbid Curiosity Cures the Blues**

Loren Rhoads, 2009-09-29 For ten years Morbid Curiosity was a one of a kind underground magazine that gained a devoted following for its celebration of absurd grotesque and unusual tales all true submitted from contributors around the country and across the world Loren Rhoads creator and editor of the magazine has compiled some of her favorite stories from all ten issues in this sometimes shocking occasionally gruesome always fascinating anthology This quirky book is filled with tales from ordinary people who just happen to have eccentric peculiar interests Ranging from the outrageous attending a Black Mass fishing bodies out of San Francisco Bay making fake snuff films to the more mundane visiting a torture museum tracking real vampires through San Francisco this curiously enjoyable collection of stories complete with illustrations and informative asides will entertain and haunt readers long after the final page is turned The New Psychology of Pandemics

Steven Taylor, Professor of Psychology Department of Psychiatry Steven Taylor, 2025-08-12 The New Psychology of Pandemics offers a comprehensive analysis of issues concerning the psychology of pandemics to prepare for future global outbreaks of infectious diseases **Morbidly Curious** Coltan Scrivner, PhD, 2025-10-07 A fascinating examination of a feature of human nature that all of us have most of us deplore at least in others and few of us understand Steven Pinker New York Times bestselling author of Rationality and Enlightenment Now An entertaining examination of the underlying reasons behind our attraction to the macabre The New York Times Book Review The leading expert on the science behind morbid curiosity explains our spooky gory and macabre fascinations What makes us peek at a car wreck or binge watch true crime shows late into the night Why are some of us drawn to horror movies while others shudder at the thought In Morbidly Curious scientist Coltan Scrivner takes readers on a thrilling journey into the psychology of morbid curiosity uncovering why we can't resist the macabre From grisly serial killers to spine chilling paranormal stories Scrivner reveals the psychological forces that compel us to explore our darkest fears and explains how this proclivity is more than just a quirk It's a powerful survival instinct helping us mentally prepare for real world threats all from the safety of our imaginations Blending

fascinating insights and cutting edge research at haunted houses across the world Scrivner makes a powerful argument for the value of playing with fear and embracing the gruesome Whether you re a horror fan yourself or just want to better understand the true crime craze Morbidly Curious will open your eyes to the hidden benefits of exploring the dark side of human nature

**Just as Deadly** Marissa A. Harrison,2023-02-09 You ve heard of Ted Bundy and John Wayne Gacy But have you heard of Amy Archer Gilligan Or Belle Gunness Or Nannie Doss Women have committed some of the most disturbing serial killings ever seen in the United States Yet scientific inquiry criminal profiling and public interest have focused more on their better known male counterparts As a result female serial killers have been misunderstood overlooked and underestimated In this riveting account Dr Marissa A Harrison draws on original scientific research various psychological perspectives and richly detailed case studies to illuminate the stark differences between female and male serial killers backgrounds motives and crimes She also emphasizes the countless victims of this grisly phenomenon to capture the complexity and tragedy of serial murder Meticulously weaving data based evidence and insight with intimate storytelling Just as Deadly reveals how and why these women murder and why they often get away with it

**Weird News Reports** Ophelia Montague,AI,2025-03-29 Weird News Reports explores the human fascination with the odd and unexpected by presenting a curated collection of verified unusual news stories It delves into the subjective nature of news and the fine line between truth and fiction in modern reporting offering a unique lens to examine broader social trends and individual behaviors The book argues that these seemingly trivial stories reflect our anxieties curiosities and the often absurd nature of our existence For instance the book highlights how Odd Police Reports reveal the challenges faced by officers while Strange Events showcase reports of unexplained phenomena from around the globe The book progresses by first establishing criteria for weird news and exploring our psychological attraction to it It then moves into sections highlighting strange events odd police reports and unexpected headlines This approach allows the book to reinforce the idea that weird news provides valuable insight into the human condition Ultimately this book provides readers with a resource to expand their understanding of the world and develop critical thinking skills all while presenting information in an engaging and thought provoking manner
