Richard Hughes, 1929 Strange almost fantastic is this story of the West Indies and life on the open seas There is a power
about it that grips you there is realism so stark that it almost frightens you It is like a strange dream stripped of its emotion
content in which you are swept through episodes of childhood of parenthood of native life of sea battles of cruelty of love
under the scorching suns driving rains earthquakes and tornadoes of the southern seas From the moment you meet the
children from the moment they are despatched on a sailing vessel to be brought up in England and from the moment they are
captured and taken aboard the pirate vessel you know you are in the hands of a writer of amazing power and imagination It
