BLEEDING

LAWRENCE, KANSAS

# Quantrells Raiders

**Natalie Clountz Bauman**

## **Quantrells Raiders:**

**William Quantrill and Quantrill's Raiders** Charles River Editors, 2014-03-04 Includes pictures Includes accounts of Quantrill's raids by one of his Raiders Includes footnotes and a bibliography for further reading In all wars there have always been and always will be a class of men designated as guerillas but it can be said that the Missouri guerillas are more noted than those of any war in any country for ages Their deeds of daring their miraculous escapes and the physical sufferings that they endured are almost beyond belief John McCorkle one of Quantrill's Raiders The Civil War is best remembered for the big battles and the legendary generals who fought on both sides like Robert E Lee facing off against Ulysses S Grant in 1864 In kind the Eastern theater has always drawn more interest and attention than the West However while massive armies marched around the country fighting each other there were other small guerrilla groups that engaged in irregular warfare on the margins and among these partisan bushwhackers none are as infamous as William Quantrill and Quantrill's Raiders Quantrill's Raiders operated along the border between Missouri and Kansas which had been the scene of partisan fighting over a decade earlier during the debate over whether Kansas and Nebraska would enter the Union as free states or slave states In Bloody Kansas zealous pro slavery and anti slavery forces fought each other most notably John Brown and the region became a breeding ground for individuals like Quantrill who shifted right back into similar fighting once the Civil War started Rather than target military infrastructure or enemy soldiers the bushwhackers rode in smaller numbers and targeted civilians on the other side of the conflict making legends out of men like Bloody Bill Anderson and John Mosby However none are remembered like Quantrill and his men not only because of their deeds during the Civil War but because of the actions of some of the former Raiders after it Quantrill is best known for raiding Lawrence Kansas in August 1863 and slaughtering nearly 200 boys and men between the ages of 14 90 under the pretext that they were capable of holding a gun and thus helping the Union cause After that massacre Union forces in the area retaliated in similar fashion forcing Southern sympathizers out of several counties in the area and burning the property Union forces also detained those accused of assisting Quantrill's Raiders including their relatives After raiding Lawrence Quantrill's Raiders headed south and they eventually split off into several groups Quantrill himself was killed while fighting in June 1865 nearly two months after Lee surrendered to Grant at Appomattox but his name was kept alive by the notorious deeds of his Raiders during the war and the criminal exploits of former Raiders like Jesse James and his brother as well as the Younger brothers These men who had fought with Quantrill became some of America's most famous outlaws and they used guerrilla tactics to rob banks and trains while eluding capture William Quantrill and Quantrill's Raiders The Confederacy's Most Notorious Bushwhackers chronicles the life of Quantrill the Raiders Civil War record and their legacy Along with pictures of important people places and events you will learn about Quantrill and his Raiders like never before in no time at all **The Devil Knows how to Ride** Edward E. Leslie, 1996 The Lawrence massacre is still considered by historians to be the greatest atrocity of the Civil War

**Quantrill and His Civil War Guerrillas** Carl W. Breihan,2019-01-13 Originally published in 1959 Carl W Breihan's *Quantrill and His Civil War Guerrillas* is a concise well researched biography of one of the famous Civil War figures William Clarke Quantrill 1837 1865 The action takes place mostly around the Kansas Missouri border dating from before the Civil War to just afterward William Clarke Quantrill was a Confederate guerrilla leader during the American Civil War Having had a knockabout youth resulting in becoming a school teacher Quantrill joined a group of bandits who roamed the Missouri and Kansas countryside apprehending escaped slaves Later on this group became Confederate soldiers who were referred to as Quantrill's Raiders This group was a pro Confederate partisan ranger outfit best known for their often brutal guerrilla tactics which made use of effective Native American field skills Quantrill's group included the young Jesse James 1847 1882 and his older brother Frank James 1843 1915 and portraits of both infamous outlaws are included in this engaging biography

*Quantrill's Raiders in Texas* Evault Boswell,2003 In the fall of 1863 William Clarke Quantrill the Missouri bushwhacker took about three hundred of his followers across Indian Territory to Sherman Texas In the Lone Star State the bushwhackers made camp at Mineral Creek Henry McCulloch the Confederate commander of the District of Northeast Texas tried to find a use for the pseudo rebels but they failed in rounding up deserters chasing Indians and destroying moonshiners They did manage to ravage the city of Sherman getting drunk and shooting the tassels off the hat of Grayson County's leading lady Sophia Butts They also robbed and killed citizens including Sophia's husband Then they began to fight among themselves until Quantrill's command splintered Texas seemed little changed in the guerrillas wake but the atrocities they committed after returning north show that their time near Sherman changed them decisively [Quantrill at Lawrence](#) Paul R. Petersen,2011-04-26 The Lawrence raid of August 21 1863 was considered one of the bloodiest events of the Civil War The actions that brought on the raid are researched and explored in depth here for the very first time What is discovered is a collusion in a legacy of lies that surrounded the stories of the raid [Crimes of the Centuries](#) Steven Chermak Ph.D.,Frankie Y. Bailey,2016-01-25 This multivolume resource is the most extensive reference of its kind offering a comprehensive summary of the misdeeds perpetrators and victims involved in the most memorable crime events in American history This unique reference features the most famous crimes and trials in the United States since colonial times Three comprehensive volumes focus on the most notorious and historically significant crimes that have influenced America's justice system including the life and wrongdoing of Lizzie Borden the bombing of the Sixteenth Street Baptist Church the killing spree and execution of Ted Bundy and the Columbine High School shootings Organized by case the work includes a chronology of major unlawful deeds fascinating primary source documents dozens of sidebars with case trivia and little known facts and an overview of crimes that have shaped criminal justice in the United States over several centuries Each of the 500 entries provides information about the crime the perpetrators and those affected by the misconduct along with a short bibliography to extend learning opportunities The set addresses a breadth of famous trials across American history including the Salem

witch trials the conviction of Sacco and Vanzetti and the prosecution of O J Simpson

**Colorado's Confederate Legacy**

Scott Dalton Myers, 2023-06-23 The American Civil War 1861 1865 was the culmination of many complex causes and factors Slavery was not the direct or proximate cause of the war rather it was intertwined with these other complex issues and factors that led to the war see Appendix A But it is not much of a stretch to say it was also about the American West fought to determine the future control of that part of the United States Although most of the battles took place in the east and southeast the American West held much political and economic value for both the North and the South The ports of California would allow the Confederate States to avoid the Union blockade of Southern ports The gold and silver of the West could provide additional funding sources for the war for both sides Last but not least all of the territories and states held value for their present or future legislative votes in both chambers of Congress What role did Colorado play in the Civil War and what role did Confederate Veterans play in development of Colorado Two Colorado Governors were Confederate Veterans James B Grant the third governor of Colorado served in the 20th Alabama Light Artillery Battalion and Charles S Thomas the eleventh governor of Colorado served in the Georgia State Militia Georgia Confederate Veterans William and Joseph Russell discovered gold on Little Dry Creek along the Platte River that began the Pikes Peak or Bust Gold Rush in 1858 The brothers founded the town of Auraria on Cherry Creek which became the first permanent settlement of what would later become Denver Confederate Veterans also served as senators a congressmen as well as officials in towns and municipalities all across the state These prominent Colorado Confederate Veterans are listed in this book along with the positions they held Additionally there are 506 known Confederate Veterans buried in Colorado These Veterans are detailed in this book with their names ranks units and the location of their graves The Civil War radically changed the role of women on both sides of the war Women filled positions previously held by men and many women found themselves working outside the home and earning money for the first time in their lives Most of the Southern women served on the home front but many also served the Confederacy as nurses spies couriers and dignitaries while some even served in uniform You can read about some of their exploits in this book Native Americans also served in the Confederate States Army Their units and achievements are detailed herein

*Outlaw Tales*

Richard Young, Judy Dockrey Young, 1992 Presents a collection of folklore tall tales and myths surrounding such characters as Belle Starr Frank and Jesse James and Wild Bill Hickok

[The Last Wagon Train West](#) Glen Laws, 2014-11-11 This is the story of the emigrants following the Oregon Trail in the year of 1867 One of families is the Silas Martin family and daughter Mary who keeps a diary of events along the trail Mary had two suitors during the trip flamboyant John James Fairfield 19 year old son of Capt Fairfield and James Monroe Cromwell son of Rev Cromwell In the spring 1867 construction on the transcontinental railroad had reached Fort Kearney Nebraska Some emigrants were now using the railroad for their westward push In early spring of 1867 Silas Martin joined 20 other emigrant wagons and 2 cargo wagons at Independence

Missouri to begin their trek up the trail Capt Zeb Fairfield is the wagon master Capt Fairfield has a secret contract with the Army to bring 200 Spencer repeating rifles and 200 000 in gold to General Armstrong Custer bivouacked at Fort Hall by September The first attack on the wagon train was by the Platte River by a remnant of the Quantrill Raiders and the Cole Younger gang As the wagon train moved westward it moved into an area known as the High Plains Indian Wars as designated by the Army The Sioux and Arapahoe Indians joined forces to attack settlers and wagon trains The first Indian attack was before Fort Laramie by a large number of Indians Several emigrants were killed and several dozen Indians A small Indian war party attacked emigrants in a broken down wagon with one emigrant killed and several Indians At Fort Hall four the wagons turn north to Fort Henry The first days the wagons were accompanied by the Calvary due to an uprising by any Blackfoot Indians On the third night a Blackfoot Indian slipped into the camp and attempted to kill Mary *QUANTRILL'S RAIDERS in North Texas and Grayson County Texas* Natalie Clountz Bauman,2017-01-30 When one thinks of William Quantrill Bloody Bill Anderson and men like the James and Younger Brothers they may automatically think of Missouri and Kansas But Quantrill s Raiders are a fascinating part of Grayson County and North Texas history as well This book will explore their activities in North Texas both during and after the Civil War This writer s purpose is not to overtly try to take one side over the other concerning the morality of that war or those who fought in it Many original sources will be presented from the time of the war and shortly afterward explaining the times Both sides will be presented and the humanity of the people involved will be taken into consideration
