Serving Children with Disabilities Laudan Y. Aron,Pamela Loprest,C. Eugene Steuerle,1996 A revised version of the report submitted to the National Commission on Childhood Disability which was established to review the assistance given to children with disabilities under the Supplemental Security Income SSI The commission was releasing its findings and recommendations as the book went to print Overviews the programs generally and the principles behind them then details specific programs such as SSI Medicaid special education block grants Head Start and mental health and family support programs Includes over 40 pages of data No index Annotation copyright by Book News Inc Portland OR **Changing Welfare** Rachel A. Gordon,Herbert J. Walberg,2012-12-06 Changing Welfare is concerned with the sweeping changes that took place in public assistance programs at the end of the 20th century and the way in which the original and reformed versions of these programs relate to the well being of children and their families The authors critically review the original conceptualizations and the new directions of programs offering cash assistance food assistance health insurance and child protection services to low income and disabled children and their families thus changes in the welfare programs themselves And throughout their concern is with whether and how these programs alter the opportunities for the development of the children targeted by these programs thus changes in the welfare of children and their families The objective of each chapter of the book is to rigorously highlight key theoretical and research issues including the identification of major empirical findings and unanswered questions Wherever relevant the chapters connect theory and research to policy and practice pointing to recommendations and challenges for the future including alternative approaches for research policy and practice
