

WAR AND RELIGION

AN ENCYCLOPEDIA OF FAITH AND CONFLICT

VOLUME 1 | A-G

JEFFREY M. SHAW AND TIMOTHY J. DEMY, EDITORS

Religion War

Davis Brown

Religion War:

The Gods of War Meic Pearse, 2007-01-01 In this provocative book historian Meic Pearse debunks the common misconception that religion causes war He argues that while religion is often a significant generator of armed conflict both in the past and in the present the two principal causes of human warfare are in fact culture and greed for territory resources or power Since culture and greed often clothe themselves in religion wars fought for culture often appear to be fought for religion With keen analysis of global history and current events Pearse shows how irreligion has produced far bloodier wars than religion and how global secularism itself does violence to religion and traditional cultures Ultimately throughout history warfare has been waged over the shape of society itself A crisis in meaning leads people to fight for what they fear may be lost For a world weary of war Pearse points beyond both cultural and secular metanarratives to an alternative hope Market Audience Church leaders Laypeople Evangelists and missionaries Seminary students and professors Features and Benefits Provides a global historical perspective on war religion and culture Evenhanded and broad in scope Examines both historical and contemporary examples

The War and Religion Marion John Bradshaw, 1919 War and Religion Jeffrey M. Shaw Ph.D., Timothy J. Demy, 2017-03-27 This three volume reference provides a complete guide for readers investigating the crucial interplay between war and religion from ancient times until today enabling a deeper understanding of the role of religious wars across cultures Containing some 500 entries covering the interaction between war and religion from ancient times the three volume *War and Religion: An Encyclopedia of Faith and Conflict* provides students with an invaluable reference source for examining two of the most important phenomena impacting society today This all inclusive reference work will serve readers researching specific religious traditions historical eras wars battles or influential individuals across all time periods The A Z entries document ancient events and movements such as the First Crusade that began at the end of the 10th century as well as modern day developments like ISIS and Al Qaeda Subtopics throughout the encyclopedia include religious and military leaders or other key people ideas and weapons and comprehensive examinations of each of the major religious traditions views on war and violence are presented The work also includes dozens of primary source documents each introduced by a headnote that enable readers to go directly to the source of information and better grasp its historical significance The in depth content of this set benefits high school and college students as well as scholars and general readers

Why God Needs War and War Needs God Mark Juergensmeyer, 2020-05-05 For decades Mark Juergensmeyer has been studying the rise of religious violence around the world including groups like ISIS and Christian militias that have been involved in acts of terrorism Over the years he came to realize that war is the central image in the worldview of virtually every religious movement engaged in violent acts Behind the moral justification of using violence are images of great confrontations of war on a transcendent scale *Why God Needs War and War Needs God* explores the dark attraction between religion and warfare Virtually every religious tradition leaves behind it a bloody trail of stories legends and images of war

and most wars call upon the divine for blessings in battle This book finds the connection between religion and warfare in the alternative realities created in the human imagination in response to crises both personal and social Based on the author's thirty years of field work interviewing activists involved in religious related terrorist movements around the world this book explains why desperate social conflict leads to images of war and why invariably God is thought to be engaged in battle

Faith, War, and Violence Gabriel R. Ricci,2014-09-22 Faith War and Violence analyzes the age old links between religion and violence perpetrated in the name of God and the role religion performs in politically infusing the state with romantic spiritualism The volume examines instances of this phenomenon from ancient Rome to the modern day it finds that religion inspired violence is not restricted to Abrahamic faiths or to one geographic region The fact that symbolically charged religious violence has destructive consequences is not lost on contributors to Faith War and Violence Among the subjects tackled are the ideological and religious foundations that inspired the founders of Al Qaeda and its role in the Arab Spring the long history of religious conflict in Ireland known as the Troubles Sikh extremism and the evolution of the Christian approach to war As the contributors demonstrate in Western societies the unity of religious fervor and warmongering stretches from Constantine's incorporation of Christian symbols into Roman army flags to slogans like Gott mit uns God is with us which appeared on the belt buckles of German soldiers in World War I In recent years George W Bush declared the war on terror a crusade and his speechwriter David Frum coined the religiously inspired term Axis of Evil to describe Iraq and other countries opposing the United States *God of Battles* Peter Partner,1998 Peter Partner shows how the ideal of the crusade God's War came to permeate medieval Christendom and how it influenced later Western societies Above all this book examines the fear that Islamic fundamentalism excites in the west and warns against allowing crusading war propaganda to affect our judgment today 24 illustrations Maps *Holy War Idea in Western and Islamic Traditions* James Turner Johnson,2010-11-01 Explores the attitudes of Western Christianity and Islam toward war for religion explaining the differences in the two cultural traditions that result in fundamentally different perceptions of the nature of religious wars

The Great and Holy War Philip Jenkins,2014-06-20 The Great and Holy War offers the first look at how religion created and prolonged the First World War and the lasting impact it had on Christianity and world religions more extensively in the century that followed The war was fought by the world's leading Christian nations who presented the conflict as a holy war A steady stream of patriotic and militaristic rhetoric was served to an unprecedented audience using language that spoke of holy war and crusade of apocalypse and Armageddon But this rhetoric was not mere state propaganda Philip Jenkins reveals how the widespread belief in angels apparitions and the supernatural was a driving force throughout the war and shaped all three of the Abrahamic religions Christianity Judaism and Islam paving the way for modern views of religion and violence The disappointed hopes and moral compromises that followed the war also shaped the political climate of the rest of the century giving rise to such phenomena as Nazism totalitarianism and communism Connecting remarkable incidents and characters

from Karl Barth to Carl Jung the Christmas Truce to the Armenian Genocide Jenkins creates a powerful and persuasive narrative that brings together global politics history and spiritual crisis We cannot understand our present religious political and cultural climate without understanding the dramatic changes initiated by the First World War The war created the world's religious map as we know it today *Holy War, Just War* Lloyd Steffen, 2007-03-26 Holy War Just War explores the dark side in Christianity Islam and Judaism by examining how the concept of ultimate value contributes to religious violence The book states that religion has within its own conceptual tools the resources to understand its own dark side and that religious people must subject their religion to a moral vision of goodness and constrain those parts that make for violence and hatred

War and Religion: A-G (Alphabetical List of Entries; List of Primary Documents; Chronology; Guide to Related Topics) Jeffrey M. Shaw, Timothy J. Demy, 2017 Containing some 500 entries covering the interaction between war and religion from ancient times the three volume War and Religion An Encyclopedia of Faith and Conflict provides students with an invaluable reference source for examining two of the most important phenomena impacting society today This all inclusive reference work will serve readers researching specific religious traditions historical eras wars battles or influential individuals across all time periods The A Z entries document ancient events and movements such as the First Crusade that began at the end of the 10th century as well as modern day developments like ISIS and Al Qaeda Subtopics throughout the encyclopedia include religious and military leaders or other key people ideas and weapons and comprehensive examinations of each of the major religious traditions views on war and violence are presented The work also includes dozens of primary source documents each introduced by a headnote that enable readers to go directly to the source of information and better grasp its historical significance The in depth content of this set benefits high school and college students as well as scholars and general readers Features Enables readers to explore the ongoing and important relationship between war and religion across history through coverage of the wars themselves the important leaders battles and campaigns and the treaties that resulted from these wars directs readers to further reading material and supplies a comprehensive bibliography that guides further inquiry into the topic of war and religion supplies primary source documents that include letters written by participants of the Crusades proclamations and declarations from the Protestant Reformation and UN documents related to war and religion Publisher description **American Crusade** Benjamin J. Wetzel, 2022-06-15 When is a war a holy crusade And when does theology cause Christians to condemn violence In American Crusade Benjamin Wetzel argues that the Civil War the Spanish American War and World War I shared a cultural meaning for white Protestant ministers in the United States who considered each conflict to be a modern day crusade American Crusade examines the holy war mentality prevalent between 1860 and 1920 juxtaposing mainline Protestant support for these wars with more hesitant religious voices Catholics German speaking Lutherans and African American Methodists The specific theologies and social locations of these more marginal denominations made their ministries highly critical of the crusading mentality Religious understandings of the

nation both in support of and opposed to armed conflict played a major role in such ideological contestation Wetzel's book questions traditional periodizations and suggests that these three wars should be understood as a unit Grappling with the views of America's religious leaders supplemented by those of ordinary people American Crusade provides a fresh way of understanding the three major American wars of the late nineteenth and early twentieth centuries

Shakespeare and the Just War Tradition Paola Pugliatti, 2016-04-01 Brought to light in this study is a connection between the treatment of war in Shakespeare's plays and the issue of the just war which loomed large both in religious and in lay treatises of Shakespeare's time The book re-reads Shakespeare's representations of war in light of both the changing historical and political contexts in which they were produced and of Shakespeare's possible connection with the culture and ideology of the European just war tradition But to discuss Shakespeare's representations of war means for Pugliatti not simply to examine his work from a literary point of view or to historicize those representations in connection with the discourses and the practice of war which were produced in his time it also means to consider or re-consider present day debates for or against war and the kind of war ideology which is trying to assert itself in our time in light of the tradition which shaped those discourses and representations and which still substantiates our moral view of war

War Inconsistent with the Religion of Jesus Christ David Low Dodge, 2019-12-17 In War Inconsistent with the Religion of Jesus Christ David Low Dodge presents a provocative critique of the moral implications of warfare in light of Christian teachings Written in the early 19th century the book employs a clear and persuasive literary style weaving together theological insights historical examples and philosophical reasoning Dodge articulates a vision of Christianity that opposes violence arguing that the essence of Jesus' message stands in stark contrast to the principles that underlie armed conflict This work emerges from a broader context of peace activism prevalent during the period particularly amid the rising tide of pacifism in response to the geopolitical turmoil of the time David Low Dodge was a prominent American clergyman abolitionist and advocate for peace whose convictions profoundly shaped his writings His extensive theological education and pastoral experiences informed his understanding of Christian doctrine prompting him to confront the implications of faith in a world riddled with violence His own involvement with the social reform movements of his era particularly in advocating for non-violence reflects his commitment to promoting a harmonious society rooted in Christian love and compassion Readers who seek to explore the intersections of faith morality and social justice will find War Inconsistent with the Religion of Jesus Christ an essential and enlightening text Dodge's compelling arguments invite readers to reflect deeply on the moral responsibilities of Christians especially in the context of conflict and war This work is particularly relevant today resonating with contemporary debates surrounding pacifism humanitarian intervention and the ethical dilemmas of modern warfare

Religious Credibility under Fire Leif-Hagen Seibert, 2018-02-05 Leif Hagen Seibert carries out a three-step praxeological analysis of empirical data from field studies in the research project The ethos of religious peace builders that allows for novel assessments of societal conjuncture field

theory subjective meaning habitus analysis and the mutual rules of engagement of religious practice the religious nomos Over the course of this three step argument the sociological concept of religious credibility i e the determinants of religious legitimacy gains more and more contours and facilitates the reevaluation of risks and chances in a peace process where religion is a vector for both peace and division

Subject Headings Used in the Dictionary Catalogs of the Library of Congress Library of Congress, Library of Congress. Subject Cataloging Division, 1966 Faith and Force David L. Clough, Brian Stiltner, 2007-06-04 This book began in an argument between friends surprised to find themselves on opposite sides of the debate about whether the United States and the United Kingdom should invade Iraq in 2003 Situated on opposite sides of the Atlantic in different churches and on different sides of the just war pacifist fence we exchanged long emails that rehearsed on a small scale the great national and international debates that were taking place around us We discovered the common ground we shared as well as some predictable and some surprising points of difference When the initial hostilities ended our conversation continued and we felt the urgency of contributing to a wider Christian debate about whether and when war could be justified From the Preface So began a dynamic collaboration that developed into a civil but provocative debate over matters of war and peace that is Faith and Force From the ancient battles between Greek city states to the Crusades to the World Wars of the twentieth century to the present day wars in Afghanistan and Iraq and the Middle East aggressors and defenders alike have claimed the mantle of righteousness and termed their actions just But can the carnage of war ever be morally grounded And if so how These are the questions that David L Clough a Methodist proponent of pacifism and Brian Stiltner a Catholic theologian and just war adherent have vowed to answer together With one voice Clough and Stiltner outline and clarify issues of humanitarian intervention weapons proliferation and preventative war against rogue states Their writing is grounded in Christian tradition and provides a fresh and illuminating account of the complexities and nuances of the pacifist and just war positions In each chapter Clough and Stiltner engage in debate on the issues demonstrating a respectful exchange of ideas absent in much contemporary political discourse whether on television or in the classroom The result is a well reasoned challenging repartee that searches for common ground within the Christian tradition and on behalf of the faithful promotion of justice yet one that also recognizes genuine differences that cannot be bridged easily Intended for a broad audience Faith and Force is the perfect foil to the shrill screeching that surrounds partisan perspectives on military power and its use To help with using the book in a classroom context the authors have provided Questions for Reflection and Discussion for each chapter You can download these questions in PDF format at press.georgetown.edu

War and Religion in the Secular Age Davis Brown, 2019-11-12 Is religion a factor in initiating interstate armed conflict and do different religions have different effects Breaking new ground in political science this book explores these questions both qualitatively and quantitatively concluding that the answer is yes Previous studies have focused on conflict within states or interstate aggression with overtly religious motivations in contrast Brown shows how religion

affects states propensities to militarize even disputes that are not religious in nature Different religions are shown to have different influences on those propensities and those influences are linked to the war ethics inculcated in those religions The book analyses and classifies war ethics contained in religious scripture and other religious classics teachings of religions contemporary epistemic communities and religions historical narratives Using data from the new Religious Characteristics of States dataset project qualitative studies are combined with empirical measurements of governments institutional preferences and populations cultures This book will provide interesting insights to scholars and researchers in international security studies political science international law sociology and religious studies

War and Religion Jolyon Mitchell, Joshua Rey, 2021 This book provides an overview of the history of religion and war and a framework for analysing it Ranging from ancient history to modern day conflicts and touching on both religiously incited violence and pacifism it offers a nuanced view on these issues that have had such weight in the past and which continue to shape our present and future

War Inconsistent with the Religion of Jesus Christ David Low Dodge, 1905-01-01 **Faith in the Fight** Jonathan H. Ebel, 2010-03-22 Faith in the Fight tells a story of religion soldiering suffering and death in the Great War Recovering the thoughts and experiences of American troops nurses and aid workers through their letters diaries and memoirs Jonathan Ebel describes how religion primarily Christianity encouraged these young men and women to fight and die sustained them through war s chaos and shaped their responses to the war s aftermath The book reveals the surprising frequency with which Americans who fought viewed the war as a religious challenge that could lead to individual and national redemption Believing in a Christianity of the sword these Americans responded to the war by reasserting their religious faith and proclaiming America God chosen and righteous in its mission And while the war sometimes challenged these beliefs it did not fundamentally alter them Revising the conventional view that the war was universally disillusioning Faith in the Fight argues that the war in fact strengthened the religious beliefs of the Americans who fought and that it helped spark a religiously charged revival of many prewar orthodoxies during a postwar period marked by race riots labor wars communist witch hunts and gender struggles For many Americans Ebel argues the postwar period was actually one of reillusionment Demonstrating the deep connections between Christianity and Americans experience of the First World War Faith in the Fight encourages us to examine the religious dimensions of America s wars past and present and to work toward a deeper understanding of religion and violence in American history

Fuel your quest for knowledge with this thought-provoking masterpiece, **Religion War**. This educational ebook, conveniently sized in PDF (Download in PDF: *), is a gateway to personal growth and intellectual stimulation. Religion War Introduction

Religion War Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Religion War Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Religion War : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Religion War : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Religion War Offers a diverse range of free eBooks across various genres. Religion War Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Religion War Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Religion War, especially related to Religion War, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Religion War, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Religion War books or magazines might include. Look for these in online stores or libraries. Remember that while Religion War, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Religion War eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Religion War full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Religion War eBooks, including some popular titles.

FAQs About Religion War Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before

making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Religion War is one of the best book in our library for free trial. We provide copy of Religion War in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Religion War. Where to download Religion War online for free? Are you looking for Religion War PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Religion War. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Religion War are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Religion War. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Religion War To get started finding Religion War, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Religion War So depending on what exactly you are searching, you will be able tochoose ebook to suit your own need. Thank you for reading Religion War. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Religion War, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Religion War is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to

get the most less latency time to download any of our books like this one. Merely said, Religion War is universally compatible with any devices to read.
