Reluctant Spy:

Reluctant Spy Lois June Wickstrom, 2023-12-06 A bridge collapses a truck burns and an earthquake shakes the city Timmy and his trained spy rat use science to avert a far greater disaster **The Reluctant Spy** John H. Goodwin, 2008-08-28 The Reluctant Spy is the timely story of Calvin Evan a smart but flawed CIA agent beginning with the 1979 Iranian revolution Cal develops a critical Iranian operative and becomes embroiled in the audacious yet little honored effort to liberate the American embassy hostages Romantically he is caught between his love for a rescued refugee and the aggressive intentions of his boss manipulative daughter Ensnaring him the savvy daughter navigates his career away from the political fallout of the mission's failure and directs him to the battleground of the 1980s the Nicaraguan Contra war where Cal runs an illegal funding operation Morally conflicted and victimized by his erratic behavior he slips into a burned out funk posted to Switzerland There amidst the rise of Middle Eastern terrorism his past pulls him into conflict with his former Iranian asset possibly a double agent and reunites him with his long ago betrayed love now a death squad target The Reluctant Spy is the tale of Cal's torment in trying to reconcile his heroic and destructive behaviors his successes and failures and his search for happiness and contentment The backdrop of his struggles is the American foreign policy establishment's often futile efforts to influence and control global events while carrying on insidious bureaucratic warfare John H Goodwin is a 1981 graduate of Georgetown's School of Foreign Service Magna Cum Laude John used his experience living abroad and knowledge of foreign cultures and American political and military affairs history in writing The Reluctant Spy John manages global investment portfolios for wealthy American and international families at Morgan Stanley's Private Wealth Management business The Reluctant Spy John Kiriakou, 2010-03-16 Long before the waterboarding controversy exploded in the media one CIA agent had already gone public In a groundbreaking 2007 interview with ABC News John Kiriakou called waterboarding torture but admitted that it probably worked This book at once a confessional an adventure story and a chronicle of Kiriakou's life in the CIA stands as an important eloquent piece of testimony from a committed American patriot In February 2002 Kiriakou was the head of counterterrorism in Pakistan Under his command in a spectacular raid coordinated with Pakistani agents and the CIA's best intelligence analyst Kiriakou's field officers took down the infamous terrorist Abu Zubaydah For days Kiriakou became the wounded terrorist's personal bodyguard In circumstances stranger than fiction as al Qaeda agents scoured the streets for their captured leader the best trauma surgeon in America was flown to Pakistan to make sure that Zubaydah did not die In The Reluctant Spy Kiriakou takes us into the fight against an enemy fueled by fanaticism He chillingly describes what it was like inside the CIA headquarters on the morning of 9/11 the agency leaders who stepped up and those who protected their careers And in what may be the book's most shocking revelation he describes how the White House made plans to invade Iraq a full year before the CIA knew about it or could attempt to stop it Chronicling both mind boggling mistakes and heroic acts of individual courage The Reluctant
