We all live on the banks of the river of time Some don t believe that time exists and physicists still aren t sure what it is Regardless of this no one can escape the flux of life All too often we hide from time with our heads stuck in the past or the future Mindfulness teaches us to be present each moment to face what is instead of what was or will be But is mindfulness enough Should we only place our attention on the present moment Now and Then presents an integrated approach to time that is grounded in the present but also focused on the past and future It shows us that to truly live is to embrace time in all its aspects It is a valuable tool for anyone who wants to practice being in the moment and enjoy a rich and dynamic life

The Universal Principles of the Reform Bahai Faith collects many of the early writings of Baha u llah and Abdu l Baha published in the West seeking to restore and preserve their vision of the oneness of God humanity and all religions In addition to all of the 1912 Universal Principles of the Bahai Movement the book includes Baha u llah s Hidden Words selections known as the Spirit of the Age an address by Abdu l Baha at the Friends Meeting House in London in 1913 and many Bahai prayers for community and individual worship and meditation Though beginning in 2004 the Reform Bahai Faith traces its origin to the early Bahais Ruth White Mirza Ahmad Sohrab and Julie Chanler who sought to preserve the Teachings of Abdu l Baha after his passing in 1921 They and other early American Bahais understood the Bahai Faith was being turned into an oppressive organization under what the British Museum document expert Dr C Ainsworth Mitchell judged to be a fraudulent will and testament Baha u llah the Founder of the Bahai Faith believed in and taught a moderate universal religion grounded in a separation of church and state not a theocracy and members of the Reform Bahai Faith seek to recover and renew that saving vision for all humanity The newcomer to the Bahai Teachings will find here a brief but eloquent and inspiring introduction to the Faith of Baha u llah while people already familiar with it will find a refreshing breeze has returned to revivify and uplift the spirit This book marks the first publication of the Reform Bahai Press which will publish several more titles during the next few years    **New Zealand Books in Print** ,1989    *Observations of a Bahai Traveller*
