*Somewhere Over the Rainbow* Gloria Chadwick, 2008 Amanda is a free spirit who somehow manages to get herself stuck in the energy vibration of a physical body Of course she did it on purpose nothing happens by accident She's a little embarrassed to find herself on earth again and wonders how she ended up here when she vowed she'd never reincarnate again Her most down to earth task is to see through the misty illusions of things for herself and to remember her spiritual nature In the course of events she gets sidetracked by what everyone says is real life But she's not sure what's real anymore She's been dreaming about rainbows lately and now she's beginning to wonder if her life is really a dream she's having Lavender is trying to remember something she's forgotten about her spiritual nature so she registers for school in the universe and begins classes in Time and Space Energy and Matter and Reality Awareness She's a little concerned about the whole idea of synchronicity and the simultaneous time space concept she's not sure if she can handle everything at once Her destiny is to unearth the mysteries of the universe and to rediscover the Scroll of Knowledge she wrote in Egypt But she's reluctant to remember her experiences as a philosopher and has turned off her spiritual awareness Rainbow is Amanda's higher self and Lavender's teacher who tries to help them see the light within themselves But Rainbow is really more than she appears to be at first or even second glance

Good news Fannie's back in town and the town is among the leading characters in her new novel Along with Neighbor Dorothy the lady with the smile in her voice whose daily radio broadcasts keep us delightfully informed on all the local news we also meet Bobby her ten year old son destined to live a thousand lives most of them in his imagination Norma and Macky Warren and their ninety eight year old Aunt Elner the oddly sexy and charismatic Hamm Sparks who starts off in life as a tractor salesman and ends up selling himself to the whole state and almost the entire country and the two women who love him as differently as night and day Then there is Tot Whooten the beautician whose luck is as bad as her hairdressing skills Beatrice Woods the Little Blind Songbird Cecil Figgs the Funeral King and the fabulous Minnie Oatman lead vocalist of the Oatman Family Gospel Singers The time is 1946 until the present The town is Elmwood Springs Missouri right in the middle of the country in the midst of the mostly joyous transition from war to peace aiming toward a dizzyingly bright future Once again Fannie Flagg gives us a story of richly human characters the saving graces of the once maligned middle classes and small town life and the daily contest between laughter and tears Fannie truly writes from the heartland and her storytelling is to quote Time utterly irresistible
