Remembering Georgy:

Remembering Georgy Serge Klarsfeld, 2001 These rare poignant drawings letters from one of the thousands of French Jewish children murdered at the hands of the Nazis their collaborators are collected by author Serge Klarsfeld a renown Nazi hunter who through his work has put a human face to a statistic

Remembering George Cardinal Pell Tracey Rowland, 2025-05-12 Cardinal George Pell was a significant figure in Australian public life and in the life of the Catholic Church from the time of his appointment to the episcopacy in the 1980s until his death in 2023 His imprisonment for some 404 days for a crime he did not commit was one of the greatest miscarriages of justice in Australian legal history His scape goat treatment has been compared to that of Alfred Dreyfus in the period of the Third French Republic As a defender of Catholic orthodoxy Pell drew opposition from liberal Catholic quarters and from anti Christian intellectual elites and as the Vatican s Prefect for the Economy he found himself in the position of having to expose and then clean up the financial corruption within the Roman Curia Thus he was fighting wars on more than one front in more than one country He had many enemies but he also had many friends and was revered by young Catholics on the orthodox end of the theological spectrum While much has been written to vilify him in the popular press by those who opposed his ideas and while some scholars have sought to examine the R v Pell case from an emotionally detached position this book is something different It is a collection of memoirs by those who knew him well It is not intended as an exercise in hagiography or apologetics but rather it reveals dimensions of the Cardinal s personality that never made the pages of the popular press This book is a record of memories those who knew Cardinal Pell as a gift to future generations of Catholics who may find this era of history of interest In particular it is record for younger Catholics who come from families where their parents and grandparents supported the Cardinal Since the Cardinal was well known not only in Australia but across the entire Anglosphere this collection of memoirs should be of broad international interest In the manner of a kaleidoscope it offers a multidimensional picture of a man who love him or loathe him was a passionate defender of the Catholic faith

Retrieval for the Sake of Renewal Christopher R. Hanna, 2022-11-18 To borrow imagery from C S Lewis s *The Lion the Witch and the Wardrobe* Timothy George s perspective as a historical theologian is the wardrobe that we can walk through to get to Narnia an exciting new place where we discover the wonderful works of Augustine Aquinas Calvin Luther Wesley and many others George is one of the most respected church historians theologians and Christian educators of our time But how did this Baptist preacher from Tennessee become a premier church historian and follow in the footsteps of great historians like the Harvard scholar George Huntston Williams who was a Unitarian the Duke scholar David Steinmetz who was a Methodist and the Yale scholar Jaroslav Pelikan who was a Lutheran and later Eastern Orthodox This book will uncover how each of these influences contributed to George s eye opening heart warming and kingdom advancing approach to the study of church history
