Remembering Bradman:

Remembering Bradman Margaret Geddes,2003 Despite all the words written about him Sir Donald Bradman has long been something of an enigma A prisoner of his own fame he valued his privacy more than anything else yet as a point of honour answered every letter he received Only after his death could his diverse friends and colleagues feel free to share their personal reminiscences of the world s greatest batsman In his life both within and beyond cricket Bradman s foibles and obsessive pursuit of perfection are revealed as well as his private moments seemingly at odds with his public persona

Never Surrender Mark Peel,2021-08-16 Never Surrender The Life of Douglas Jardine is the enthralling story of England s most controversial cricket captain forever associated with bodyline bowling on MCC s tour to Australia in 1932 33 Despite his privileged upbringing and amateur status Jardine s steely personality and win at all costs ethos was more akin to the professional game Confronted with the run making genius of Australia s Don Bradman in 1932 33 Jardine resorted to a form of intimidatory bowling that helped England regain the Ashes but his tactics shocked Australia and brought relations between the two countries to the point of collapse To restore harmony Jardine was disowned by the MCC cricket establishment and shunned thereafter but now in a more modern competitive age his reputation has undergone a rehabilitation not least in Australia Drawing on fresh material award winning cricket author Mark Peel reappraises an outstanding leader whose care for those he valued knew no bounds

Playing on the Periphery Tara Brabazon,2006-04-18 Part of the Sport in the Global Society series this innovative and creative text explores collective history memory and sport culture tracking the passage of sports away from England The author investigates why elite English sports such as rugby and cricket became national sports in New Zealand and Australia and asks why working class English sports such as football have travelled less well to these areas Focusing on these sports the author tracks narratives and myths tracing the passage of colonial truths behaviours and practices Clearly defined sections in the book focus on sport and tourism sport and history sport and memory Using a refreshingly broad range of sources to analyze differences between popular culture and sporting memory this book offers new perspectives on sport and makes an interesting reference for masters and postgraduate readers in sport and cultural studies

The Bulletin ,2006 **Harold Larwood** Duncan Hamilton,2017-02-02 Winner of the William Hill Sports Book of the Year this is the first ever biography of Harold Larwood Larwood one of the most talented accurate and intimidating fast bowlers of all time is mainly remembered for his role in the infamous Bodyline series of 1932 3 which brought Anglo Australian diplomatic relations to the brink of collapse Larwood was made the scapegoat and despite the fact he was simply following his captain s instructions he never played cricket for England again Devastated by this betrayal he eventually emigrated to Australia where he was accepted by the country that had once despised him Acclaimed author Duncan Hamilton has gained unprecedented access to the late sportsman s family and archives to tell the story of a true working class hero and cricketing legend
