

## Remembering Summer

W.S. Merwin, b. 1927

Being too warm the old lady said to me  
is better than being too cold I think now  
in between is the best because you never  
give it a thought but it goes by too fast  
I remember the winter how cold it got  
I could never get warm wherever I was  
but I don't remember the summer heat like that  
only the long days the breathing of the trees  
the evenings with the hens still talking in the lane  
and the light getting longer in the valley  
the sound of a bell from down there somewhere  
I can sit here now still listening to it

## Remembering Summer:

**Pipers at the Gates of Dawn** Lynn Stegner, 2000 In the space of less than a year three people in a small New England village make life defining decisions When a stranger moves into Harrow a stranger without a past and without a conscience old conflicts flare threatening familiar foundations and exposing possibilities of new ones In the tradition of Winesburg Ohio Lynn Stegner takes the linked story form to new heights as she explores the interactions of circumstance and temperament in determining people s choices in the face of their unsettled issues In *The Hired Man* Ray Rinaldi a teenager running his alcoholic father s farm agonizes over his family obligations and his opportunity to escape the stifling confines of Harrow As spring arrives he hires a stranger Sam Chase to help with farm chores Spring gives way to the arrival of summer residents in the title piece *Pipers at the Gates of Dawn* in which Dru Hammond wrestles with her growing sense of disconnection from her husband and her concern over the disturbing behavior of her youngest son In *Indian Summer* Jack Sayers a fiercely independent former summer resident now settled in Harrow tells his college bound nephew the story of his itinerant life but leaves out something important Stegner s acute and rich writing reveals in profoundly original ways the troubled fault lines of the relationships that constitute each novella What happens as Chase appears twice more links the novellas in unexpected and powerful ways giving all three stories their characters and the town of Harrow itself a compelling unity that readers will recall long after the book is finished

*Improbable Solution* Gary L. Rockey, Judith B. Glad, 2006 Welcome to Whiterock Oregon where peculiar happenings are taken for granted Where Sally Carruthers nurses her dying father Where Gus Loring seeks forgetfulness To find it he d have to do the impossible and forgive himself Whiterock is a town where people are from because there s nothing to hold them there Every year more of the stores on Main Street close and every year more of its young people leave to find their fortunes somewhere else yet somehow it endures So perhaps there s something more to Whiterock than dusty streets shabby buildings and discouraged residents something as hungry for love as Gus and Sally
