

In Memory of Myra Harris

Dec. 9, 1937-Feb. 1, 2025

On Saturday, February 1st, the first day of Black History Month, Ms. Myra Harris, namesake of Harris Hall, transitioned. In 1979, Ms. Harris changed our university forever, one of TU's first two Black graduates.

Ms. Harris paved the way for the thousands of students who follow in her footsteps still today. She transformed communities through decades of service as a teacher in Maryland's public schools, further establishing her legacy as an inspirational civic leader in the greater Baltimore region and state of Maryland.

Ms. Harris' legacy as a pioneer at TU will continue to live on in our students and in this place so many of our students call home—Harris Hall. All across the TU community are encouraged to remember her.

The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
