No Ghost Just A Shell:

No Ghost Just a Shell Pierre Huyghe, Philippe Parreno, 2003 No Ghost Just a Shell is a project based around the virtual figure AnnLee on which 16 artists have worked AnnLee is a Avatar a virtual character originally designed for computer games and the Manga animation industry In 1999 the French artists Pierre Huyghe and Philippe Parreno bought the rights to her gave her a name and initiated the project No Ghost Just a Shell The plan was to fill the empty entity AnnLee with stories and ideas and to give her an identity and a life of her own Huyghe and Parreno offered AnnLee to other artists with the commission use AnnLee in your own work and at the same time contribute with us to her history

No Ghost Just a Shell: Pierre Huyghe & Philippe Parreno Emily Mast, 2003 Installation Art and the Museum Vivian Saaze, 2025-10-01 Installation art has become mainstream in artistic practices However acquiring and displaying such artworks implies that curators and conservators are challenged to deal with obsolete technologies ephemeral materials and other issues concerning care and management of these artworks By analysing three in depth case studies the author sheds new light on the key concepts of traditional conservation authenticity artist s intention and the notion of ownership while exploring how these concepts apply in contemporary art conservation Based on original empirical research and cross case analysis this ground breaking study offers a re examination of traditional conservation values and ethics and argues for a reassessment of the role of the conservator of contemporary art

Parallel Presents Amelia Barikin, 2012 Outgrowth of the author s thesis doctoral University of Melbourne Australia We Bought a Virgin Rachel M. Wolff, 2012 Pierre Huyghe and Philippe Parreno s collaborative project No Ghost Just A Shell which began in 1999 and continued until 2002 is considered an exemplar of relational aesthetics For this project Huyghe and Parreno purchased an anime character from a Japanese design company and named it Annlee The character was then distributed to a handful of other artists who used it in a number of works across a variety of mediums and the project came to an end when the character s copyright was sold back to the character itself Huyghe and Parreno posit that with their purchase of Annlee they removed the character from the market turning it into a blank slate in their words We bought a virgin This thesis argues that in doing what Huguhe and Parreno call freeing Annlee from those who would exploit the character they actually do the opposite ensure the artists control over the work A close consideration of No Ghost Just A Shell reveals misconceptions about relational aesthetics as the project enforces authorial control and implicates audiences in an ethics of relations

On Reason and Emotion Isabel Carlos, 2004 The book is a catalogue of the fourteenth Biennale of Sydney which brings together fifty one artists from thirty two countries and is distinguished by the number of new projects and new works *Alien affection* Philippe Parreno, Doug Aitken, 2002 The World May be Fantastic Ewen McDonald, 2002 Running from May 15 until July 14 2002 the Biennale of Sydney explores the way artists use narratives models fictions and fabrications to challenge and to change our interpretations of the world The Biennale of Sydney , 2002 **Parkett** , 2003 **All Hawaii Entrées** Philippe
