book contains loads of it These are the pure uncensored expressions of the hearts of each writer just as contradictory as life itself so full of personal and universal truth Collectively this book is better than anything each of us could write on our own and I am honored to have been its editor Even if I had not been its editor this is a book I would enjoy reading The views expressed in this chapbook are those of the individual poets not necessarily always shared by the city of Vallejo its poet laureate the Vallejo Peace Project or perhaps even yourself You may vehemently disagree with some of their words Please keep an open mind and heart anyways Their poetry personalities backgrounds and ideas are as gorgeously diverse as our city and this book aims to welcome everyone within its pages to give each artist total creative freedom for whatever vision they may wish to express and to expose each reader to the beauty of their words
