*Hornet 33* Ed Denny, 2016-10-13 Combat helicopter pilots in the Vietnam War flew each mission facing the possibility of imminent death Begun as a series of attempted letters to the Department of Veterans Affairs this compelling memoir of an aircraft commander in the 116th Assault Helicopter Company The Hornets relates his experience of the war in frank detail From supporting the 25th Infantry Division s invasion of Cambodia to flying the lead aircraft in the 101st Airmobile Division s pivotal Operation Lam Son 719 invasion of Laos to cut the Ho Chi Minh Trail at LZ Hope the author recounts the traumatic events of his service from March 1970 to March 1971 *From the Heart of a Prairie Farm Wife* Maurine Becotte, 2009-01-28

Maurine Becotte was born and raised in the farming community of Cut Knife Saskatchewan She was the eldest daughter of Irwin and Margaret Duvall Her dream was to become a veterinarian but young women of her time did not become veterinarians so she followed Societies Rules and become a school teacher After a few short years of teaching school Maurine met and married a true farmer Emile Becotte of the Seagram District Together they raised their family of eight children on a mixed farm in the Baldwinton Area of Saskatchewan They grew a variety of grain crops but their passion was the herd of purebred Angus cattle that the built from meager beginnings As their children we were not quite sure which meant more to them the beautiful black cows that we all came to love or us as children Neither one lacked for love or attention Times were hard on the farm and there was always work to be done Maurine always found time to create fun and joy in life for family friends and neighbors She always had the coffee pot on and time to chat with all who passed thru our yard On one occasion a native family passed through in a horse drawn wagon and the young mother asked for some fresh water Maurine being the kind person she was gave them the fresh water and a jar of fresh cows milk for the infant child Some months later that same young woman thanked Mom again for her generosity Maurine began writing poetry while attending college in 1940 and she continued to write throughout her life Her poetry is highlighted with ideas that came from everyday life the beauties of nature the love of family and community the dedication to farm life in Saskatchewan history politics and war In the 1970 s and 1980 s Maurine and two daughters compiled six volumes of her poetry under the name of Housewife Harmony Volumes 1 through 6 Maurine wrote poetry for some fifty plus years before ill health took away her capacity to write She died in March 1996 without achieving her one great wish to see her poetry published in one complete book This book is the fulfillment of that dream Rather than use Housewife Harmony as a title I have chosen to call the book From the Heart of a Prairie Farm Wife because Mom truly wrote from the heart The following pages will unveil the ability Maurine had in the stroke of the pen

**GAZING INTO OUR CRYSTAL BALL** W.R. Sharp, 2024-04-30 Our philosophies and perils of wisdom related to our lifetime highlights will be shared with the reader in the pages ahead I S L Sharp will adorn the chapters with poetry and song lyrics to enhance our philosophies in our book entitled GAZING INTO OUR CRYSTAL BALL W R Sharp through his written essays stories and philosophies will try to give you a glimpse of his many travels highlights of his science career and stories

of his moments with his loved ones which will provide our readers insight into his in depth knowledge And hopefully the stories and expressions of feelings through the reading of my poetry and lyrics will bring happiness and awareness of beauty to our readership As my co author my brother W R Sharp wrote in one of his essays Welcome to the Eighty Teens He too was welcomed to this age by cataracts and dental complications However he felt that these golden years should be celebrated as we gaze into our own crystal ball of life He thinks life is a journey and it is always spinning as if encapsuled in a fortune telling crystal ball It encounters multiple experiences opportunities transitions challenges and obstacles as we march through time toward our afterlife Nevertheless life can be quite fulfilling and coming of age is a continuous process facing all of us who live a long life In this ball the most important transformations involve coming of age in its earlier stages in one s education career pathway partnerships parenting or mentoring skills of others post careers retirement and facing our afterlife The latter changeover is especially challenging for those without partners and children unless in the crystal ball of life they prospered from self love and independence Fortunately the existence of public and private retirement facilities will accommodate some of these retirees The two of us have always imagined the existence of an afterlife metaverse as we march forward in our lives Optimistically we both hope to be able to learn lessons in the spinning ball from our present lives and accomplishments and in our next life accomplish all of our unaccomplished earthly goals Maybe if you the reader gaze closer at your own life s crystal ball you will see that your life turns out the way it was meant to be whether it is happy or sad Who knows The magic of it all is that you were able to live on this earth for just a blink of an eye no matter what your real life s experiences were on this life altering planet And on the day when you finally transition into the mysterious afterlife a new window of opportunities will unfold for you to explore that will be overwhelming to you At that time you will have the freedom to embrace new possibilities for yourself that were not accessible to you during your existence on this Earth
