## **One Page Management:**

**One Page Management** Riaz Khadem, PhD, Robert Lorber, 1989-04-24 One Page management helps you implement the principles in The One Minute Manager Key to success is access to information But busy managers are drowning in a sea of useless data One Page Management Teaches a simple screening system that reduces the glut of memos printouts and files to three one page reports giving managers a complete view of their organization Achievers become visible problems are short circuited and managers gain control over their own performance As in the One Minute Manager the system unfolds in a simple parable an executive turns around a floundering company with the ingenious help of the Infoman Published in hardcover in 1986 and in paperback in 1989 One Page Management is available nationwide and has been translated into twelve languages Updated to address today's business concerns it works for any business from large corporation to start up

The New One-Page Project Manager Clark A. Campbell, Mick Campbell, 2012-12-17 How to manage any project on just one piece of paper The New One Page Project Manager demonstrates how to efficiently and effectively communicate essential elements of a project's status The hands of a pocket watch reveal the time of day without following every spring cog and movement behind the face Similarly an OPPM template reduces any project no matter how large or complicated to a simple one page document perfect for communicating to upper management and other project stakeholders Now in its Second Edition this practical guide currently saving time and effort in thousands of organizations worldwide has itself been simplified then refined and extended to include the innovative AgileOPPM™ This Second Edition will include new material and updates including an introduction of the ground breaking AgileOPPM™ and an overview of MyOPPM™ template builder available on line Includes references throughout the book to the affiliated sections in the Project Management Body of Knowledge PMBOK Shows templates for the Project Management Office PMO This new and updated Second Edition will help you master the one page approach to both traditional project management and Agile project management PMBOK is a registered marks of the Project Management Institute Inc

One Page Talent Management Marc Effron, Miriam Ort, 2010-05-18 A Revolutionary Approach to Talent Management You know that winning in today's marketplace requires top quality talent You also know what it takes to build that talent and you spend significant financial and human resources to make it happen Yet somehow your company's beautifully designed and well benchmarked processes don't translate into the bottom line talent depth you need Why Talent management experts Marc Effron and Miriam Ort argue that companies unwittingly add layers of complexity to their talent building models without evaluating whether those components add any value to the overall process Consequently simple processes like setting employee performance goals become multi page headache inducing time wasters that turn managers off to the whole process and fail to improve results In this revolutionary book Effron and Ort introduce One Page Talent Management OPTM a powerfully simple approach that significantly accelerates a company's ability to develop better leaders faster The authors outline a straightforward easy to use process for

designing results oriented OPTM processes base every process on proven scientific research eliminate complexity by including only those components that add real value to the process and build transparency and accountability into every practice Based on extensive research and the authors hands on corporate and consulting experience with companies including Avon Products Bank of America and Philips One Page Talent Management shows how to Quickly identify high potential talent without complex assessments Increase the number of ready now successors for key roles Generate 360 feedback that accelerates change in the most critical behaviors Significantly reduce the time required for managers to implement talent processes Enforce accountability for growing talent through corporate culture compensation etc A radical new approach to growing talent One Page Talent Management trades complexity and bureaucracy for simplicity and a relentless focus on adding value to create the high quality talent you need right now One Page Management Riaz Khadem,Robert Lorber,1987 The One-Page Project Manager Clark A. Campbell,2010-09-24 The One Page Project Manager shows you how to boil down any project into a simple one page document that can be used to communicate all essential details to upper management other departments suppliers and audiences This practical guide will save time and effort helping you identify the vital parts of a project and communicate those parts and duties to other team members
