Heller, Carl H. Snyder, 2015-02-13 Visualizing Everyday Chemistry is for a one semester course dedicated to introducing
chemistry to non science students It shows what chemistry is and what it does by integrating words with powerful and
compelling visuals and learning aids With this approach students not only learn the basic principles of chemistry but see how
chemistry impacts their lives and society The goal of Visualizing Everyday Chemistry is to show students that chemistry is
important and relevant not because we say it is but because they see it is
