Re In Primary School:

Good Practice in Primary Religious Education Derek Bastide,1992 Intended for the use of primary head teachers class teachers and teachers in training this book examines the requirements of the 1988 Education Reform Act in respect of religious education in schools It offers guidance on ways in which religious education can be developed successfully

Primary Religious Education - A New Approach Clive Erricker, Judith Lowndes, Elaine Bellchambers,2010-09-13 The role of Religious Education within the primary school and how it should be implemented has been the subject of worldwide debate Responding to the delivery of the non statutory framework for RE and the recent emphasis on a creative primary curriculum Primary Religious Education A New Approach models a much needed pedagogical framework encouraging conceptual enquiry and linking theory to its implementation within the wider curriculum in schools The book outlines this new conceptual approach to Religious Education and is based upon the Living Difference syllabus successfully implemented in Hampshire Portsmouth Southampton and Westminster It demonstrates how to implement the requirements of the new QCDA curriculum and Ofsted criteria for effective RE and is rapidly gaining both national and international support Through this approach Religious Education is discussed within the larger context of primary education in the contemporary world This book will help you to teach RE in a creative way in the primary classroom by providing historical commentaries an overview of existing approaches case studies based upon developments in religious literacy connections to initiatives such as Every Child Matters and cross curricular links to other areas of the curriculum including PSHE With an all encompassing global context this book provides tutors students and practicing teachers with a firm basis for developing their thinking about the subject of RE how it is placed in the primary curriculum and how it may be successfully implemented in schools Primary School RE ,1990 *Religious Education in the Primary School* Alan Brown, Erica Brown,1996-01-01 This is a companion to Primary School Worship offering general guidance to Church and county schools in the light of the publication of the model RE syllabuses Religious Education in the Primary School Elizabeth Hughes,1994 The companion volume to Making a World of Difference takes a classroom teaching approach to the management of difference in religious belief and background The author questions the adequacy of dealing with plurality simply through the RE curriculum and proposes a cross curricular approach **Primary School RE** Church of Ireland. Board of Education,1990 The Primary School Annie Egerton Moore,1925 **Coordinating Religious Education Across the Primary School** Derek Bastide,2005-06-23 Provides support for RE co ordinators who are trying to get religious education properly established in their primary schools The text focuses upon issues of planning implementing and resourcing and aims to be a user friendly guide *Proceedings* Chicago (Ill.). Board of Education,1873 **Metacognition, Worldviews and Religious Education** Shirley Larkin, Rob Freathy, Jonathan Doney, Giles Freathy,2019-07-03 Religious Education RE holds a unique place within the state education system Yet the teaching of RE has often been criticised for its tendency to present simplified and stereotypical

representations of religions Bringing together the theory of metacognition with RE curriculum content this book offers a coherent and theoretically supported approach to RE and beyond that is applicable to a range of subjects and students of various age groups Metacognition Worldviews and Religious Education seeks to support teachers in creating a new and exciting classroom approach With a focus on putting children and teachers worldviews back on the RE agenda and developing awareness of these through metacognitive processes it includes Tables frameworks and checklists to make it easy for teachers to adapt the approach to their own context Concrete examples of how the approach can work in the classroom including case studies from teachers Call out boxes for teachers and others to reflect on their own practice and to consider their own beliefs and values in relation to teaching and learning Co authored by three researchers from Exeter University and one experienced advanced skills RE primary school teacher this book explains in a jargon free way the theories of metacognition and worldviews which underpin the creation of a unique learning environment making it an essential read for students experienced teachers researchers in RE and anyone interested in taking a thinking skills approach to pedagogy
