

Mark – Dusting Deeper #3

11. I can read obscure parallels between Mark and OT passages.
 25. I can formulate an interpretation that draws on these parallels.

**Mark 8:27-9:1 - The Way of the Cross**

¶ Jesus and his disciples went on to the villages around Caesarea Philippi. On the way he asked them, "Who do people say I am?"

¶ They replied, "Some say John the Baptist; others say Elijah; and still others, one of the prophets."

¶ "But what about you?" he asked. "Who do you say I am?"

Peter answered, "You are the Messiah."

¶ Jesus warned them not to tell anyone about him.

¶ He then began to teach them that the Son of Man must suffer many things and be rejected by the elders, the chief priests and the teachers of the law, and that he must be killed and after three days rise again.⁹ He spoke plainly about this, and Peter took him aside and began to rebuke him.

¶ But when Jesus turned and looked at his disciples, he rebuked Peter. "Get behind me, Satan!" he said. "You do not have in mind the concerns of God, but merely human concerns."

¶ Then he called the crowd to him along with his disciples and said: "Whoever wants to be my disciple must say 'no' to themselves and take up their cross and follow me." ¶ For whoever wants to save their life¹¹ will lose it, but whoever loses their life for me and for the gospel will save it. ¶ What good is it for someone to gain the whole world, yet forfeit their soul? ¶ Or what can anyone give in exchange for their soul? ¶ If anyone is ashamed of me and my words in this adulterous and sinful generation, the Son of Man will be ashamed of them when he comes in his Father's glory with the holy angels."

And he said to them, "Truly I tell you, some who are standing here will not taste death before they see that the kingdom of God has come with power."

9. Mark 8:35 The Greek word means either life or soul; also in verses 36 and 37.

Bible Parallels**Return to Isaiah's Suffering Servant (see handout!)****Matthew 4:8-10**

¶ Again, the devil took him to a very high mountain and showed him all the kingdoms of the world and their splendor. "All this I will give you," he said, "if you will bow down and worship me."

¶ Jesus said to him, "Away from me, Satan! For it is written: 'Worship the Lord your God, and serve him only.'"

Hosea 6:1-2

"Come, let us return to the LORD...
 After two days he will revive us;
 on the third day he will restore us,
 that we may live in his presence."

Reading to Learn in Secondary Classrooms Daniel M. Perna,Sarah F. Mahurt,2009-07-10 This text helps the reader understand that students do not just learn to read in the primary grades Students must continue to grow and become more sophisticated readers if we expect them to master varied content information and concepts The strategies in this book provide a framework to support content area teachers as they strive to engage students and increase content literacy as well as content mastery Crystal Leu Director of Curriculum Lakeland School Corporation LaGrange IN Reading a tool for learning in any subject area Although reading is an essential skill for learning in any discipline many students in today s secondary classrooms find reading tasks difficult and often fail to complete those assignments Now this proven step by step instructional model shows secondary teachers how to help students boost their reading comprehension acquire knowledge

through their reading and process the information that they've learned. Providing numerous classroom examples, the authors show teachers how to use research-based high-effect strategies before, during, and after reading to increase student learning in various content and subject areas. Teachers learn how to help students prepare for learning and anticipate reading assignments through pre-lesson strategies such as previewing the text, activating prior knowledge, and developing questions. Remain focused and engaged during reading assignments through strategies such as reciprocal teaching, jigsaw, and think-alouds. Process and internalize newly learned information using strategies such as graphic organizers and summaries. Easy to implement, this method helps secondary teachers improve students' content learning and reading ability at the same time.
