Puddles

When the rain stops, there are puddles on the path. I put on my green gumboots and my rain coat. I go outside to play with the children from next door.

We jump in the puddles. The puddles are pools of muddy water on the path. Splish, splash, splish, splash!

We hop like frogs from one puddle to the next. We kick the water in the air. We leap in the air then splash when we land. We all get very wet!

13

Questions

1. Why do the children get wet?

2. What sound does the water make when you jump into puddles?

Activity: How many words can you make that rhyme with splish and splash?
