## Ray Yoshida:

**Ray Yoshida** Ray Yoshida, James Jensen, 1998 *Touch and Go* Corbett vs. Dempsey (Gallery), Sullivan Galleries (Chicago, Ill.), Art Institute of Chicago. School, 2011 [A Curated Mystery](#) Karen Patterson, 2012 Ray Yoshida's extensive collection of found objects, tribal works, folk art, self-taught art, and contemporary Chicago art was assembled in Chicago and partially transferred to Hawaii after the artist's death. It is currently housed at the John Michael Kohler Arts Center where it is being prepared for an exhibition in 2014. I have interviewed Chicago art historians, curators, and artists; traveled within Chicago and to Yoshida's birthplace in Hawaii; and conducted archival research of Yoshida's writings to garner new information on one of the formative figures in Chicago art history. Applying Jules Prown's and Daniel Miller's material culture theory, which centers on objects as primary data in cultural investigation and holds that social relations are created through consumption and acquisition of objects, this thesis considers how readings of Ray Yoshida's home collection at those three sites—Chicago, Hawaii, and Sheboygan—can contribute to an understanding of the artist's practice and his sense of place. The goal is to understand Yoshida's work and impact through an analysis of his constructed environment.

[Ray Yoshida](#) Ray Yoshida, Contemporary Museum (Honolulu, Hawaii), 2009 [Spirited Visions](#) Patty Carroll, James Yood, 1991 **Joseph E. Yoakum** Mark Pascale, Esther Adler (Curator), Édouard Kopp, 2021-01-01 The extraordinary life of a captivating American artist, beautifully illustrated with his dreamlike drawings. Much of Joseph Elmer Yoakum's story comes from the artist himself and is almost too fantastic to believe. At a young age, Yoakum (1891–1972) traveled the globe with numerous circuses; he later served in a segregated noncombat regiment during World War I before settling in Chicago. There, inspired by a dream, he began his artistic career at age seventy-one, producing some two thousand drawings over a decade. How did Yoakum gain representation in major museum collections in Chicago and New York? What fueled his process, which he described as a spiritual unfoldment? This volume delves into the friendships Yoakum forged with the Chicago Imagists that secured his place in art history; explores the religious outlook that may have helped him cope with a racially fractured city; and examines his complicated relationship to African American and Native American identities. With hundreds of beautiful color reproductions of his dreamlike drawings, it offers the most comprehensive study of the artist's work, illuminating his vivid and imaginative creativity and giving definition and dimension to his remarkable biography.

[Art in Chicago](#) Maggie Taft, Robert Cozzolino, 2018-10-10 For decades now, the story of art in America has been dominated by New York. It gets the majority of attention: the stories of its schools and movements and masterpieces, the stuff of pop culture legend. Chicago, on the other hand, well, people here just get on with the work of making art. Now that art is getting its due, *Art in Chicago* is a magisterial account of the long history of Chicago art, from the rupture of the Great Fire in 1871 to the present. Manierre Dawson, Lszl Moholy Nagy, and Ivan Albright to Chris Ware, Anne Wilson, and Theaster Gates. The first single-volume history of art and artists in Chicago, the book, in recognition of the complexity of the story it tells, doesn't follow a single continuous trajectory.

Rather it presents an overlapping sequence of interrelated narratives that together tell a full and nuanced yet wholly accessible history of visual art in the city From the temptingly blank canvas left by the Fire we loop back to the 1830s and on up through the 1860s tracing the beginnings of the city's institutional and professional art world and community From there we travel in chronological order through the decades to the present Familiar developments such as the founding of the Art Institute the Armory Show and the arrival of the Bauhaus are given a fresh look while less well known aspects of the story like the contributions of African American artists dating back to the 1860s or the long history of activist art finally get suitable recognition The six chapters each written by an expert in the period brilliantly mix narrative and image weaving in oral histories from artists and critics reflecting on their work in the city and setting new movements and key works in historical context The final chapter comprised of interviews and conversations with contemporary artists brings the story up to the present offering a look at the vibrant art being created in the city now and addressing ongoing debates about what it means to identify as or resist identifying as a Chicago artist today The result is an unprecedentedly inclusive and rich tapestry one that reveals Chicago art in all its variety and vigor and one that will surprise and enlighten even the most dedicated fan of the city's artistic heritage Part of the Terra Foundation for American Art's year long Art Design Chicago initiative which will bring major arts events to venues throughout Chicago in 2018 Art in Chicago is a landmark publication a book that will be the standard account of Chicago art for decades to come No art fan regardless of their city will want to miss it
