

Microbiology

The background of the cover is a detailed scientific illustration. On the left, a portion of a microscope is visible, showing the eyepiece, objective lenses, and the stage. The right side of the cover is dominated by a large, blue, textured structure that resembles a cell membrane or a network of fibers. Numerous small, bright yellow, spherical particles are scattered across this blue structure, representing microorganisms or molecules. The overall color palette is cool, with blues and greys, contrasted by the warm yellow of the particles.
