**Open Lands Project** Open Lands Project (Chicago, Ill.), 1983\* Larger Print Bible-II-Volume 2 Jay Patrick Sr. Green, 2007 Larger Print Edition The number one complaint about the Interlinear Hebrew Greek English Bibles by Jay P Green Sr has been the size of the type This new printing is in a larger type size much more readable for long hours of study without the eye strain This has all of the content of the 4 Volume Interlinear Bible Set that has been published since 1985 and all the content of the 2000 Interlinear New Testament The only complete interlinear Bible available in English and it is keyed to Strong's Exhaustive Concordance Thousands of pastors students and laypeople have found The Interlinear Bible to be a time saving tool for researching the subtle nuances and layers of meaning within the original biblical languages Featuring the complete Hebrew and Greek texts with a direct English rendering below each word it also includes The Literal Translation of the Bible in the outside column But what truly sets this resource apart are the Strong's numbers printed directly above the Hebrew and Greek words Strong's numbers enable even those with no prior knowledge of Greek or Hebrew to easily access a wealth of language reference works keyed to Strong's Greek Hebrew dictionaries analytical lexicons concordances word studies and more The Hebrew is based on the Masoretic Text and the Greek is from the Textus Receptus The sources of the texts are documented in the preface and are essentially the same with some minor variations to the Hebrew and Greek texts used by the KJV translators Only a small minority of Bible students ever achieve the ability to read the original biblical languages This resource offers a non-threatening tool for those lacking language training to begin exploring the languages of Scripture Offering a concise literal translation of each Greek and Hebrew word it is a great jumping off point for in depth Bible study and text analysis This Bible displays all the Hebrew Aramaic and Greek words of the Bible in the Masoretic Hebrew Text and the Received Greek Text with literal accurate English meanings placed directly under each original word in interlinear form with Strong's Concordance numbers over each original word enabling the Bible student whether knowing the original languages or not to refer to all lexicons and concordances that have also been coded with Strong's numbers 2 936 pages bound in a bonded leather over boards hardback edition This new edition has been much improved by a new typesetting of the New Testament Volume IV with larger print the left marginal column containing a newly revised Literal Translation of the Bible 2000 and a right marginal column containing the Authorized King James Version 1769 The three volume Old Testament is an exact reprint of the 1985 Hendrickson Publishers Edition but in larger print The Old Testament does not yet have the 1769 King James Version The only complete Interlinear Bible is now fully keyed to Strong's Concordance numbers The Strong's numbering above each Hebrew and Greek word along with the Interlinear text and marginal literal English Translation and the 1769 Authorized King James Version opens a treasure house of Bible study possibilities for those who wish to understand the Scripture better It's use will allow the novice student to read the original text without losing valuable time to look up the meaning of the Hebrew Greek words in the Hebrew Greek

lexicons There is no substitute for a first hand knowledge of the original text However since only a small minority of Bible students retain an easy reading comprehension of the original text the Interlinear Bible is a welcome aid to Bible students laymen and pastors who wish to continue working with the original languages *Land and Water*, 1915 *Draft Resource Management Plan and Environmental Impact Statement for the San Juan Resource Area, Moab District, Utah* United States. The form of this text that is authoritative for Rabbinic Judaism is known as the Masoretic Text. The Tanakh consists of twenty-four books; it counts as one book each Samuel, Kings, Chronicles, and Ezra-Nehemiah, and counts the Twelve Minor Prophets as a single book. The Hebrew Bible overlaps with the Greek Septuagint and the Christian Old Testament. The Bible is a collection of religious texts or scriptures sacred to Christians, Jews, Samaritans, Rastafaris, and others. It appears in the form of an anthology, a compilation of texts of a variety of forms that are all linked by the belief that they are collectively revelations of God. These texts include theologically focused historical accounts, hymns, prayers, proverbs, parables, didactic letters, erotica, poetry, and prophecies. Believers consider the Bible to be a product of divine inspiration. The Christian New Testament is a collection of writings by early Christians, believed to be mostly Jewish disciples of Christ, written in first-century Koine Greek. The Quran is the central religious text of Islam, believed by Muslims to be a revelation from Allah. Muslims regard the Quran as Muhammad's most important miracle, a proof of his prophethood, and the culmination of a series of divine messages. The Quran describes itself as a book of guidance for mankind. It offers detailed accounts of specific historical events and often emphasizes the moral significance of an event over its narrative sequence. The Quran consists of 114 chapters of varying lengths, each known as a *sūrah*. Chapters are classified as Meccan or Medinan depending on whether the verses were revealed before or after the migration of Muhammad to the city of Medina. Each *sūrah* consists of several verses known as *āyāt*, which originally means a sign or evidence sent by God.
