**William Joseph Morgan**

## **Operatives Spies Saboteurs Library Edition:**

*Erving Goffman and the Cold War* Gary D. Jaworski, 2023-08-07 Erving Goffman and the Cold War presents a provocative new reading of the work of sociologist Erving Goffman. Instead of viewing him as a marginal man or academic outsider, Gary D. Jaworski explores Goffman as a social theorist of the Cold War. Goffman was deeply connected to both the ethos of his time and to a range of cold warriors and their critics such as Edward A. Shils, Thomas C. Schelling, and the researchers on brainwashing associated with the Walter Reed Army Institute of Research, among others. Chapters on loyalty, betrayal, secrecy, strategy, interrogation, provocation, and aggression concretely illustrate these connections. Erving Goffman and the Cold War shows that Goffman was much more than a microsociologist of mundane life; he was a perceptive analyst of the Cold War America.

*Donovan's Devils* Albert Lulushi, 2016-02-09 The stirring little-known story of the forerunners to today's Special Forces. The OSS, Office of Strategic Services, created under the command of William Donovan, has been celebrated for its cloak-and-dagger operations during World War II and as the precursor of the CIA. As the Oh So Social, it has also been portrayed as a club for the well-connected before, during, and after the war. *Donovan's Devils* tells the story of a different OSS: that of ordinary soldiers recruited from among first and second-generation immigrants who volunteered for dangerous duty behind enemy lines and risked their lives in Italy, France, the Balkans, and elsewhere in Europe. Organized into Operational Groups, they infiltrated into enemy territory by air or sea and operated for days, weeks, or months, hundreds of miles from the closest Allied troops. They performed sabotage, organized native resistance, and rescued downed airmen, nurses, and prisoners of war. Their enemy showed them no mercy, and sometimes their closest friends betrayed them. They were the precursors to today's Special Forces operators. Based on declassified OSS records, personal collections, and oral histories of participants from both sides of the conflict, *Donovan's Devils* provides the most comprehensive account to date of the Operational Group activities, including a detailed narrative of the ill-fated Ginny mission, which resulted in the one of the OSS's gravest losses of the war. Skyhorse Publishing, as well as our Arcade imprint, are proud to publish a broad range of books for readers interested in history, books about World War II, the Third Reich, Hitler, and his henchmen, the JFK assassination, conspiracies, the American Civil War, the American Revolution, gladiators, Vikings, ancient Rome, medieval times, the old West, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

**The Bridge of Deaths** M. C. V. EGAN, 2011-06-15 On August 15th, 1939, at the brink of World War II, an English plane crashed and sunk in Danish waters. Five deaths were reported: two Standard Oil of New Jersey employees, a German corporate lawyer, an English member of Parliament, and a crew member for the airline. Here is a conceivable version of the events.
