Ontario Collection:

The Insect & Spider Collections of the World Ross H. Arnett, Jr., G. Allan Samuelson, Gordon M. Nishida, 2019-10-16 First published in 1993 completely rewritten this second edition includes a list of all 210 countries of the world and all of the islands with comments on the existence of insect and spider collections both public and private These listings are arranged alphabetically by country state province and city with private collections listed under the public collection with which they are registered Part II of the directory is an alphabetical list of the codes assigned to each of the collections described in Part I This list is also cross referenced to variations of the codes used in other works which will eliminate any confusion over this duplication This classic work provides a ready reference to all collections and is required by all insect and spider systematists
