Operation Rawhide Paul Thomsen,1997-04 **Lost Battalion of Tet** Charles A Krohn,2013-05-11 Published to commemorate the 40th anniversary of the Tet Offensive this new paperback edition brings back into print a book that became an essential source for a 2006 study of the battle by the U S Army s Center of Military History It takes a critical look at what went wrong in early 1968 during one of the first engagements of Tet when a U S infantry battalion was ordered to attack a large North Vietnamese force near Hue City without air or artillery support The tragic military foul up resulted in over 60 percent casualties for the 2d Battalion 12th Regiment 1st Cavalry Division when the soldiers were surrounded by the enemy and began running out of ammunition The bold decision by battalion commander Lt Col Richard Sweet to break out with his remaining soldiers under cover of darkness saved this encirclement from being a total disaster Author Charles Krohn the unit s intelligence officer at the time provides a much needed analysis of what took place and fills his account with details that have been confirmed as factual by other survivors Krohn examines the battalion s involvement in two other major attacks for lessons learned when vital systems break down lessons he says that are timeless and applicable anywhere This book is published in cooperation with the Association of the United States Army **OPERATION RAWHIDE: A**

Tiger Force Michael Sallah,Mitch Weiss,2006-05-15 At the outset of the Vietnam War the Army created an experimental fighting unit that became known as Tiger Force The Tigers were to be made up of the cream of the crop the very best and bravest soldiers the American military could offer They would be given a long leash allowed to operate in the field with less supervision Their mission was to seek out enemy compounds and hiding places so that bombing runs could be accurately targeted They were to go where no troops had gone to become one with the jungle to leave themselves behind and get deep inside the enemy s mind The experiment went terribly wrong What happened during the seven months Tiger Force descended into the abyss is the stuff of nightmares Their crimes were uncountable their madness beyond imagination so much so that for almost four decades the story of Tiger Force was covered up under orders that stretched all the way to the White House Records were scrubbed documents were destroyed men were told to say nothing But one person didn t follow orders The product of years of investigative reporting interviews around the world and the discovery of an astonishing array of classified information Tiger Force is a masterpiece of journalism Winners of the Pulitzer Prize for their Tiger Force reporting Michael Sallah and Mitch Weiss have uncovered the last great secret of the Vietnam War American Electricians' Handbook Terrell Croft,1924 U.S. Marines in Afghanistan, 2010-2014 Paul W.
