Unfit For Marriage Edward J. Behrend-Martinez,2007-03-06 The Catholic Church of early modern Europe intended the sacrament of matrimony to represent a lifelong commitment and it allowed few grounds for the dissolution of an unhappy marriage One was nonconsummation owing to the sexual impotency of one of the partners Even then an annulment was granted only after a church court had conducted a lengthy investigation of the case soliciting testimony from numerous witnesses as well as from the aggrieved couple and had subjected the allegedly impotent spouse and sometimes both spouses to an intimate physical examination Edward J Behrend Martinez has studied the transcripts of eighty three impotency trials conducted by the ecclesiastical court of Calahorra La Rioja a Spanish diocese with urban and rural parishes both Basque and Castilian From these records he draws a detailed fascinating portrait of private life and public sexuality in early modern Europe These trials were far more than a salacious inquiry into the intimate details of other people s lives The church valued marital sex as a cornerstone of stable society intended not only for procreation but also for maintaining domestic harmony Every couple s sex life however private in practice or intention was a matter of public and ecclesiastical concern Unfit for Marriage offers vivid accounts of marital sex and the role that property gender and personal preference played in marriage in early modern

Mujer y medio ambiente María Novo, 2007 En este volumen una mirada integradora sobre mujer y naturaleza muestra los paralelismos históricos que se han dado en el tratamiento de ambas por parte de las sociedades modernas Tratamiento que nacido de economicismo e inspirado por una visión dominadora las ha hecho invisibles a la hora de valorar sus aportaciones indispensables a la vida y la sociedad El desamparo con que todavía viven muchas mujeres en el Sur del plantea las dificultades que encuentran en el Norte para ver reconocidas sus aportaciones científicas sociales y humanas son fenómenos que corren paralelos con la realidad de una naturaleza que está siendo sacrificada a los intereses económicos sin que se tome en cuenta su carácter esencial de soporte de la vida y su valor intrínseco **Mujeres víctimas de la violencia doméstica** Francisco Javier Labrador, 2004 La violencia doméstica es un problema grave causa de una alarma social creciente El hogar el lugar más personal e íntimo para cada persona que debe darnos la mayor sensación de seguridad y de confort pierde todas estas características y se convierte en un lugar de inseguridad peligro y miedos donde una persona generalmente la mujer puede ser maltratada y agredida y además de forma impune y con la complicidad del silencio El pacto de silencio que ha amparado durante años a este problema al considerarse que lo que pasaba dentro de las paredes del hogar es algo íntimo en lo que no deben intervenir personas ajenas ha permitido que la violencia doméstica se haya mantenido sin

ningún esfuerzo por tratar de ponerle coto. Sería deseable erradicar de forma inmediata este fenómeno y numerosos esfuerzos comienzan a confluír para lograr este objetivo pero dada la complejidad de factores culturales, sociales, familiares y personales implicados en su desarrollo y mantenimiento, los resultados sólo pueden conseguirse de forma gradual. Mientras tanto, las personas que están padeciendo esta situación necesitan ayuda y soluciones, algunas veces de forma desesperada. Las cifras de mujeres muertas anualmente por este problema no dejan de ser sobrecogedoras. Es necesario ofrecer soluciones viables de acción para estas personas con un padecimiento tan importante y unas condiciones de vida tan angustiosas, tan injustas y tan crueles. Esta obra ofrece un programa de actuación para ayudar a las víctimas de la violencia doméstica a identificar su problema, a aprender unas pautas de acción eficaces sea cual sea su situación actual, a superar las secuelas que pueda haberles producido el maltrato y desde luego a desarrollar si es necesario una nueva vida social.
