New Evangelization Good News To The Poor:

New Evangelization Leonardo Boff, 2006-02-03 At the 500th anniversary of the conquest of the Americas Leonardo Boff offers a telling assessment of the impact and future prospects of Christianity The anniversary has prompted intense soul searching especially in Latin America While church conservatives have called triumphalistically for a new evangelization of the continent others remembering the ongoing toll among native peoples blacks and the poor have called on the church to free itself from vestiges of its colonial past In New Evangelization Boff cuts to the heart of tensions in the church today In his first extensive treatment of Christian mission from a liberation theology perspective he deals with such topics as inculturation and the trinitarian basis of mission He offers an extensive reflection on the figure of the Virgin of Guadalupe as model of a new liberating evangelization The gospel arrived in the Americas under the sign of domination Boff argues that a new evangelization rooted in the culture of the oppressed must occur under the sign of liberation Book jacket
